Cora Spiritualist Guide:

Spiritualism in the American Civil War R. Gregory Lande, 2020-07-10 America's Civil War took a dreadful toll on human lives and the emotional repercussions were exacerbated by tales of battlefield atrocities improper burials and by the lack of news that many received about the fate of their loved ones Amidst widespread religious doubt and social skepticism spiritualism the belief that the spirits of the dead existed and could communicate with the living filled a psychological void by providing a pathway towards closure during a time of mourning and by promising an eternal reunion in the afterlife regardless of earthly sins Primary research including 55 months of the weekly spiritual newspaper Banner of Light and records of hundreds of soldiers and family members spirit messages reveals unique insights into battlefield deaths the transition to spirit life and the motivations prompting ethereal communications This book focuses extensively on Spiritualism's religious political and commercial activities during the war years as well as the controversies surrounding the faith strengthening the connection between ante and postbellum studies of Spiritualism Victorian Women and the Theatre of Trance Amy Lehman, 2014-01-10 Spiritualists in the nineteenth century spoke of the Borderland a shadowy threshold where the living communed with the dead and where those in the material realm could receive comfort or advice from another world The skilled performances of mostly female actors and performers made the Borderland a theatre of sorts in which dramas of revelation and recognition were produced in the forms of seances trances and spiritualist lectures This book examines some of the most fascinating American and British actresses of the Victorian era whose performances fairly mesmerized their audiences of amused skeptics and ardent believers It also focuses on the transformative possibilities of the spiritualist theatre revealing how the performances allowed Victorian women to speak act and create outside the boundaries of their restricted social and psychological roles *Life Work of Mrs. Cora L.V. Richmond* Harrison Delivan Barrett, 1895
