that may be due to the number of reports If you use these resources the odds for diagnosing your problem and developing a repair strategy will increase in your favor Finally browse the recalls and defect reports for your year C4 some evening when you re bored Use the information you find there as a guide for checking your car to find out if you have any similar conditions that might cause you problems in the near future **Whitaker's Cumulative Book List** ,1973 **Automotive Industries** ,2001 **Chilton's Auto Repair Manual 1986** Chilton Book Company,1985 *Domestic Cars* Mitchell Manuals, inc,1987
