**Gendering Italian Fiction** Maria Marotti, Gabriella Brooke, 1999 This volume is an exploration of the innovative ways in which three generations of women writers in modern Italy have dealt with history both as narration of events and the events themselves The essays challenge traditional historiography and foster a rereading of history based on the tenets of feminist historicism They also claim a central role for fiction in the construction of women's history and in a rereading of Italian history

*Nietzsche, the Aristocratic Rebel* Domenico Losurdo, 2019-10-14 Perhaps no philosopher is more of a conundrum than Nietzsche the solitary rebel poet wayfarer anti revolutionary Aufkl rer and theorist of aristocratic radicalism His accusers identify in his superman the origins of Nazism and thus issue an irrevocable condemnation his defenders pursue a hermeneutics of innocence founded ultimately in allegory In a work that constitutes the most important contribution to Nietzschean studies in recent decades Domenico Losurdo instead pursues a less reductive strategy Taking literally the ruthless implications of Nietzsche's anti democratic thinking his celebration of slavery of war and colonial expansion and eugenics he nevertheless refuses to treat these from the perspective of the mid twentieth century In doing so he restores Nietzsche's works to their complex nineteenth century context and presents a more compelling account of the importance of Nietzsche as philosopher than can be expected from his many contemporary apologists Translated by Gregor Benton With an Introduction by Harrison Fluss Originally published in Italian by Bollati Boringhieri Editore as Domenico Losurdo Nietzsche il ribelle aristocratico Biografia intellettuale e bilancio critico Turin 2002

**HEMCOMING** JOHN L. BISOL, 2019-05-04 There is no sense of time within a portal All is what was Bodiless spirits roam through endless fields of darkness A few have purpose but no means to accomplish anything One spirit that of the Witch Cadence Shadowsoul writhed in eternal torture She had never reached her goal How long was it Days Years Eons Apaté pushed the twisted form of Cadence Shadowsoul closer to the edge of the portal If you leave the Witch Queen will challenge you Defeat her and return to immortal life Apaté said So mote it be So mote it be Cadence screamed as she flung herself into the soul of a young woman

*Italian Women's Autobiographical Writings in the Twentieth Century* Ursula Fanning, 2017-09-07 This book highlights the centrality of the autobiographical enterprise to Italian women's writing through the twentieth century a century that has frequently been referred to as the century of the self Ursula Fanning addresses the thorny issue of essentialism potentially involved in underlining links between women's writing and autobiographical modes and ultimately rejects it in favor of an argument based on the cultural linguistic and literary marginalization of women writers within the Italian context It is concerned with Italian women writers various ways of grappling with constructions of subjectivity throughout the century and sets out to explore them Fanning reads autobiographical writing as subject to many of the same constraints as fiction and in doing so draws attention to the significance of the recurring use of the terms pure and impure in many critical and theoretical discussions of the autobiographical where pure is used to suggest a truthful representation of a life while impure suggests

the messy undertaking of mixing lived experience with fiction. Recurring patterns and paradigms are found in the works of the various writers considered eighteen in all and these paradigms are analyzed through close readings of their works. These close readings offer insights into approaches to the constructions of subjectivity in the narratives and are informed by feminist theories. The chapters focus on selves in relationship taking their lead from the patterns unfolding in the writers' work hence the subjects are constructed as daughters with different views of the self in relation to fathers and mothers within the confines of the romantic relationship which involves reconsiderations and rewritings of the romance plot as maternal subjects and as writers with an eye on their relationship to the literary canon as well as to the relationship with readers. This book argues that there is such a thing as gendered subjectivity and that its constructions may be traced through the texts analyzed.

**Italian Women Writers, 1800-2000** Patrizia Sambuco, 2014-11-12. *Italian Women Writers 1800-2000* Boundaries, Borders and Transgression investigates narrative autobiography and poetry by Italian women writers from the nineteenth century to today focusing on topics of spatial and cultural boundaries, border identities and expressions of excluded identities. This book discusses works by known and less known writers as well as by some new writers: Sibilla Aleramo, La Marchesa Colombi, Giuliana Morandini, Elsa Morante, Neera, Matilde Serao, Ribka Sibhatu, Patrizia Valduga, Annie Vivanti, Laila Waida among others, writers who in their works have manifested transgression to confinement and entrapment either social, cultural or professional or who have given significance to national and transnational borders or have employed particular narrative strategies to give voice to what often exceeds expression. Through its contributions the volume demonstrates how Italian women writers have negotiated material as well as social and cultural boundaries and how their literary imagination has created dimensions of boundary crossing.

**The Babel Guide to Italian Fiction (in English Translation)** Ray Keenoy, Fiorenza Conte, 1995. The Babel guide has 150 original reviews of books by Italian authors available in English. Each review provides a kind of trailer for the work with an extract as a taster. It includes a database of Italian fiction translated into English since 1945 with original titles and current prices. This is the first in a series of illustrated guides written in a lively and accessible style. It aims to provide potential readers with an idea of whether a book will suit their own tastes.

Italian Prose Writers, 1900-1945 Rocco Capozzi, Luca Somigli, 2002. Essays on Italian writers of prose discuss the rise of the middle class and the increase in literacy that fostered the growth and production of popular fiction, the emergence of the novel as a genre reflecting the diversity of Italian society, the impact of positivism, the founding of Futurism in 1909 and its challenge of established genres and the poetics of fragmentism. Discusses the impact various social and political changes had on writers during this period.
