LONG-TERM CONSEQUENCES OF WORLD WAR II

What were some effects of World War II?

World War II was the most destructive war in history. Over 60 million soldiers and civilians died during the war. After the war, hunger and disease killed many others. The destruction of land and property and new national borders forced millions of people to move to new areas. Economies were ruined and some countries had to

rebuild from almost nothing. Western European countries improved faster than countries under Soviet control.

Chapter 1 Cold War Conflicts Guided Reading Answers The Americans:

The American Journey Joyce Oldham Appleby, Alan Brinkley, James M. McPherson, 2003 American Foreign Policy Glenn P. Hastedt, 2017-02-01 Glenn Hastedt's clear and succinct introduction to the field prepares students to think about America's changing role in the world and to develop the critical thinking skills needed to participate in the debate about the conduct and content of American foreign policy. He begins by asking What do we mean by foreign policy and what is the national interest? Next Hastedt looks to the past and examines the defining experiences that have helped to shape American foreign policy today. Third he looks at how American foreign policy is made in the current hyperpartisan political climate. Here Hastedt examines the various institutions and how they come together to make policy as well as the policy instruments available to decision makers. And finally he encourages students to wonder What's next? The eleventh edition reflects the latest headlines including more extensive discussions of hybrid warfare, cyber wars, drones, and an assessment of Obama's foreign policy. There are new case studies on ISIS, authorization of force, resolutions, women in combat, the climate agreement, the Iran nuclear agreement, Obama's opening to Cuba, and the future of COIN. And new Historical Lessons boxes feature the War Powers Act, the integration of the military, the Kyoto Agreement, NAFTA, and Afghanistan. This book is accompanied by a learning package designed to enhance the experience of both instructors and students.
