Phobia and American Literature, 1705-1937 Don James McLaughlin,2025-07-21 Phobia and American Literature 1705 1937 A Therapeutic History tells a neglected two century history of phobia s gradual emergence as a variable suffix in medicine politics and literature ready to be appended to an array of objects situations and ideas Across psychology s early American and nineteenth century varieties phobia prompted a remarkable genealogy of thought in the Americas Literary figures adapted conversations and debates happening among physicians to popular forms such as sermons essays satire novels short stories and creative ventures in the social sciences Through this fusion of medical and literary activity concentrated in the cities of Boston Philadelphia and New York phobia s analysis became a foundational locus for the development of a therapeutic imaginary at the heart of American liberalism More precisely phobia s analysis became central

to a discourse that regarded public mental health as an indispensable factor in the recognition of inalienable rights and civil liberties By recovering the discursive contingencies that enabled this tradition McLaughlin illuminates new connections between towering thinkers among them Cotton Mather John Adams Benjamin Rush Frederick Douglass William Lloyd Garrison Harriet Beecher Stowe Oliver Wendell Holmes Sr William James and Zora Neale Hurston Following these lines of influence and debate emphasis is placed on the incisive care such figures brought to bear on phobia s etymological development as a locus of psychological inquiry

Southern by the Grace of God Megan Hunt,2024-11 Like the media coverage of the civil rights era itself Hollywood dramas have reinforced regional stereotypes of race class and gender to cleanse and redeem the wider nation from the implications of systemic racism As Southern by the Grace of God reveals however Hollywood manipulates southern religion in particular to further enhance this pattern of difference and regional exceptionalism consistently displacing broader American racism through a representation of the poor white southerner who is as religious as he and it is always a he is racist By foregrounding the role of religion in these characterizations Megan Hunt illuminates the pernicious intersections between Hollywood and southern exceptionalism a long standing U S nationalist discourse that has assigned racial problems to the errant South alone enabling white supremacy to not only endure but reproduce throughout the nation Southern by the Grace of God examines the presentation and functions of Protestant Christianity in cinematic depictions of the American South Hunt argues that religion is an understudied signifier of the South on film used with varying degrees of sophistication to define the region s presumed exceptionalism for regional national and international audiences Rooted in close textual analysis and primary research into the production and reception of more than twenty Hollywood films that engage with the civil rights movement and or its legacy this book provides detailed case studies of films that use southern religiosity to negotiate American anxieties around race class and gender Religion Hunt contends is an integral trope of the South in popular culture and especially crucial to the divisions essential to Hollywood storytelling
