The Korean War - Answer Fighting erupted between communists in the North, and American backed anti-communists in the South. North Koreans successfully launched a surprise attack and Seoul fell to the communists on June 28. General MacArthur, growing impatient and wanting to eliminate the communist threats, requested authorization to use nuclear weapons against North Korea and China. Denied, he publicly denounced President Truman. Truman, unwilling to risk WW3 and refusing to tolerate public insubordination, fired the General in April. Resulted in the 38th parallel.
