One American's Story

Seventy miles south of Berlin, Joseph Polowsky and a patrol of American soldiers were scouting for signs of the Soviet army advancing from the east. As the soldiers neared the Elbe River, they saw lilacs in bloom. Polowsky later said the sight of the flowers filled them with joy.

Across the Elbe, the Americans spotted Soviet soldiers, who signaled for them to cross over. When the Americans reached the opposite bank, their joy turned to shock. They saw to their horror that the bank was covered with dead civilians, victims of bombing raids.

A PERSONAL VOICE JOSEPH POLOWSKY

"Here we are, tremendously exhilarated, and there's a sea of dead. . . . [The platoon leader] was much moved. . . . He said, 'Joe, let's make a resolution with these Russians here and also the ones on the bank: this would be an important day in the lives of the two countries.' . . . It was a solemn moment. There were tears in the eyes of most of us. . . . We embraced. We swore never to forget."

—quoted in *The Good War*

The Soviet and U.S. soldiers believed that their encounter would serve as a symbol of peace. Unfortunately, such hopes were soon dashed. After World War II, the United States and the Soviet Union emerged as rival superpowers, each strong enough to greatly influence world events.

U.S. and Soviet troops met at the Elbe River, April 1945.

American and Soviet soldiers meet (top) at the Elbe River in Germany near the end of World War II. A 1996 postage stamp (above) commemorates the historic meeting.

Former Allies Clash

The United States and the Soviet Union had very different ambitions for the future. These differences created a climate of icy tension that plunged the two countries into a bitter rivalry.

Chapter 1section The Cold War

Alfred H. Paddock

Chapter 1 section The Cold War:

Bringing Cold War Democracy to West Berlin Scott Krause, 2018-10-11 Within the span of a generation Nazi Germany's former capital Berlin found a new role as a symbol of freedom and resilient democracy in the Cold War. This book unearths how this remarkable transformation resulted from a network of liberal American occupation officials and returned migrants or remigrants of the Marxist Social Democratic Party (SPD). This network derived from lengthy physical and political journeys. After fleeing Hitler, German-speaking self-professed revolutionary socialists emphasized anti-totalitarianism in New Deal America and contributed to its intelligence apparatus. These experiences made these remigrants especially adept at cultural translation in postwar Berlin against Stalinism. This book provides a new explanation for the alignment of Germany's principal left-wing party with the Western camp. While the Cold War has traditionally been analyzed from the perspective of decision makers in Moscow or Washington, this study demonstrates the agency of hitherto marginalized groups on the conflict's first battlefield. Examining local political culture and social networks underscores how both Berliners and migrants understood the East-West competition over the rubble that the Nazis left behind as a chance to reinvent themselves as democrats and cultural mediators respectively. As this network popularized an anti-Communist pro-Western Left, this book identifies how often ostracized migrants made a crucial contribution to the Federal Republic of Germany's democratization.

Russians in Cold War Australia Phillip Deery, Sheila Fitzpatrick, 2024-02-19 *Russians in Cold War Australia* explores the time during the Cold War when Russian displaced persons, including former Soviet citizens, were amongst the hundreds of thousands of immigrants given assisted passage to Australia and other Western countries in the wake of the Second World War. With the Soviet Union and Australia as enemies, skepticism surrounding the immigrants avowed anti-communism introduced new hardships and challenges. This book examines Russian immigration to Australia in the late 1940s and 1950s, both through their own eyes and those of Australia's security service ASIO, to whom all Russian speakers were persons of interest.

The Other Cold War Christopher R. Kilford, 2010 Christopher Kilford sets out to carefully examine how Canada became involved with the provision of military equipment, advice, and training to armed forces throughout the developing world after 1945, impact that military assistance had in several 19th-century countries, and why later in the 1960s militaries were often viewed as the best means to encourage wider societal modernization while also preventing the spread of communism. This latter issue was a key reason why Ottawa found itself authorizing military assistance missions in the post-war period until such efforts, at the urging of Prime Minister Pierre Trudeau, effectively dried up in the early 1970s.

Negotiating Civil War Henry Lovat, 2020-07-16 A theoretically informed critical account of the making of the international legal rules governing civil war.

Air Corps News Letter, 1968

Southeast Asia and the Cold War Albert Lau, 2012-07-26 The origins and the key defining moments of the Cold War in Southeast Asia have been widely debated. This book focuses on an area that has received less attention: the impact and legacy of the Cold War on the various countries in

the region as well as on the region itself The book contributes to the historiography of the Cold War in Southeast Asia by examining not only how the conflict shaped the milieu in which national and regional change unfolded but also how the context influenced the course and tenor of the Cold War in the region It goes on to look at the usefulness or limitations of using the Cold War as an interpretative framework for understanding change in Southeast Asia Chapters discuss how the Cold War had a varied but notable impact on the countries in Southeast Asia not only on the mainland countries belonging to what the British Foreign Office called the upper arc but also on those situated on its maritime lower arc The book is an important contribution to the fields of Asian Studies and International Relations

Great Debates in American History:
Civil rights, part 1; with an introduction by W. Wilson Marion Mills Miller, 1918 The American domination, part 1, 1803-1861 Alcée Fortier, 1904 Queering Cold War Poetry Eric Keenaghan, 2009 Toward a queer ethic of vulnerability Intrinsic coupling Wallace Stevens and the pleasures of correspondence A nation's secrets resistance and reform in José Lezama Lima's poetic system Vulnerable households containment and Robert Duncan's queered nation A baroque revolution Severo Sarduy's queer cosmology

Victory in Europe, 1945 Arnold A. Offner, Theodore A. Wilson, 2000 In this collection senior scholars explore the transition from war to uneasy peace how and why the war ended as it did whether a different resolution was possible and if the ensuing Cold War was inevitable

The War of the Rebellion: v. 1-3 [serial no. 127-129] Correspondence, orders, reports and returns of the Confederate authorities, similar to that indicated for the Union officials, as of the third series, but including the correspondence between the Union and Confederate authorities, given in that series. 1900. 3 v United States. The Use of Force After the Cold War H. W. Brands, Darren Pierson, Reynolds S. Kiefer, 2000 In this volume eleven leading scholars apply their expertise to understanding what if anything has changed and what has not why the patterns are as they are and just what the future might bring Together the authors address political moral and military factors in the decision to use or avoid military force Case studies of the Gulf War and Bosnia analyses of the role of women in the armed forces and the role of intelligence agencies and studies of inter

branch and inter agency tensions and cooperation inform the various chapters The volume will help scholars policy makers and concerned citizens contemplate national alternatives when force threatens BOOK JACKET

A New English Dictionary on Historical Principles: part 1. A (1888) James Augustus Henry Murray, 1888 *The English Catalogue of Books* Sampson Low, 1926 Volumes for 1898 1968 include a directory of publishers

A New Cold War Sanjaya Baru, Rahul Sharma, 2021-08-04 In July 1971 US National Security Advisor Henry Kissinger made a secret visit to China to meet top Chinese leaders This inaugurated a new phase not just in US China relations but in contemporary history That visit and the subsequent US China relationship including the US decision to invest in China s economic rise and admit it into the WTO combined to firm up the foundations of China s rise as a world power For more than four decades the leadership of the two countries had a secretive pact which worked well to each other s benefit The US helped power China s economic growth in the hope that Beijing would turn a new political leaf and adopt Western practices e g democracy China grew economically and militarily used its financial prowess to spread its influence across continents as four generations of Chinese leaders built their nation at the expense of the US Half a century after Kissinger s historic visit the US and China are today engaged in a trade war bordering on a new Cold War Washington is not openly talking about de coupling from China which has begun to challenge its global dominance but it might very well be China has already established itself as a dominant power across Eurasia More worryingly China is militarily and economically threatening its neighbours including Japan Korea Vietnam Taiwan Australia Philippines Indonesia and India This collection of critical essays examines the impact consequences and legacy of Kissinger s first door opening visit to China and how it has shaped world order

U.S. Army Special Warfare Alfred H. Paddock, 2002 Paddock also includes new sections on American psychological warfare in the Pacific the Army Rangers the 1st Special Service Force and American led guerrillas in the Philippines BOOK JACKET
