Every American should read this book to return our country to the land of the free and the home of the brave America the
Beautiful My American Dream is the fourth in the series about the problems confronting the United States of America The
other members of the series are Bashing Sarah Palin America Can Recover and A Beautiful America These books will make
some people smile some Laugh some will agree some will disagree some might cry and some will think I am crazy The
purpose is to make people think about what is happening in our government It doesnt matter whether you are a Democrat or
Republican make sure that your candidate is looking out for the people of your district Remember it should be We the People
By the People and For the People and if your Representatives do not understand that then dont vote for them Your vote really
does matter It doesnt matter which side of the isle you vote on Both sides play these games Right now our political system is
broken and I hope they keep on fighting so that more voting Americans will wake up get involved and really take a good long
look at both candidates no matter what letter is next to their names Hopefully then we can get a few quality people back in
Washington who actually vote what their districts really want Politics is about open ideas and cooperation anyway Isnt it
