Summary of John Perkins's The New Confessions of an Economic Hit Man Milkyway Media, 2022-12-25 Buy now to get the main key ideas from John Perkins s The New Confessions of an Economic Hit Man John Perkins used to cheat countries out of enormous sums of money on behalf of the US government It was his job and he was good at it but its inherent immorality weighed heavily on him The countries had to spend all their money on repayment rather than helping their people and they were firmly in US control Although he was strongly discouraged from doing so he published a best selling expose Confessions of an Economic Hit Man in 2004 As the same practices spread from government to business he

updated his revelations in The New Confessions of an Economic Hit Man 2016 It explains how the system works today what a moral and honest replacement would look like and how we could all make that happen Confessions of a Hit Man Donald Rilla, 2025-05-31 A convicted felon is transferred to a maximum security hospital where he reveals to his social worker his various exploits as a hit man for the mob I Am a Hitman Welbeck Publishing Group Ltd (COR),2021 Confessions of an Economic Hit Man (16pt Large Print Edition) John Perkins, 2016-02-09 Shocking Bestseller The original version of this astonishing tell all book spent 73 weeks on the New York Times bestseller list has sold more than 1 25 million copies and has been translated into 32 languages New Revelations Featuring 15 explosive new chapters this expanded edition of Perkins's classic bestseller brings the story of economic hit men EHMs up to date and chillingly home to the US Over 40 percent of the book is new including chapters identifying today s EHMs and a detailed chronology extensively documenting EHM activity since the first edition was published in 2004 Former economic hit man John Perkins shares new details about the ways he and others cheated countries around the globe out of trillions of dollars. Then he reveals how the deadly EHM cancer he helped create has spread far more widely and deeply than ever in the US and everywhere else to become the dominant system of business government and society today Finally he gives an insider view of what we each can do to change it Economic hit men are the shock troops of what Perkins calls the corporatocracy a vast network of corporations banks colluding governments and the rich and powerful people tied to them If the EHMs can t maintain the corrupt status quo through nonviolent coercion the jackal assassins swoop in The heart of this book is a completely new section over 100 pages long that exposes the fact that all the EHM and jackal tools false economics false promises threats bribes extortion debt deception coups assassinations unbridled military power are used around the world today exponentially more than during the era Perkins exposed over a decade ago The material in this new section ranges from the Seychelles Honduras Ecuador and Libya to Turkey Western Europe Vietnam China and in perhaps the most unexpected and sinister development the United States where the new EHMs bankers lobbyists corporate executives and others con governments and the public into submitting to policies that make the rich richer and the poor poorer But as dark as the story gets this reformed EHM also provides hope Perkins offers a detailed list of specific actions each of us can take to transform what he calls a failing Death Economy into a Life Economy that provides sustainable abundance for all Confessions of a Mob Hitman Raymond H. Flynn, Michael J. Flynn, 2009-09-15 Finally an inside look at mob warfare in St Louis by one of the men who actually lived it shaped it It s an explosive first person account for the first time Mike Flynn fulfills his father s dream to have the memoirs made public And Mike shares some touching insight into a side of gangland history we seldom see In doing so he proves that no matter what there is always something worthwhile in every human being That it appears is Ray Flynn's Confessions Of A Hitman Nicholas Lock, 2024-04-09 Dolo is a hitman who gets hired to do a mission that true legacy would normally be a walk in the park but this time might be different When the seasoned assassin runs into many unexpected problems executing his plan it puts his big payday in jeopardy and it causes him to question the motive of the man who is paying him to do the hit As time goes on the tables turn and Dolo becomes the prey Will he be able to outwit and outrun karma and deception Or will he find himself facing death in the same manner that he has dealt it to many others
