Essentials of Middle and Secondary Social Studies William B. Russell III, Stewart Waters, 2022-07-05 Building on the success of the previous editions *Essentials of Middle and Secondary Social Studies Third Edition* focuses on the key issues central to the teaching of middle and high school social studies including lesson planning and instructional strategies Written in an engaging conversational style the text encourages teachers in their development as professionals and enables them to effectively use creative and active learning strategies in the everyday classroom New to This Edition This third edition has been refined with new and relevant topics and strategies needed for effectively teaching middle and high school social studies New features include An expanded chapter on the decision making process in secondary social studies This chapter provides additional discussion about the importance of helping middle and high school learners better understand the decision making process and offers strategies for helping teachers make connections between choices values character development and social justice An updated chapter on technology designed to better prepare secondary social studies teachers to effectively incorporate technology into their instruction Focus is given to virtual teaching and learning media literacy teaching with film and numerous other ways to improve teaching and learning in the digital age Updated further readings and helpful resources for all chapters to include supplemental digital and video sources related to various topics throughout the chapter These resources were specifically curated to be impactful for preservice and in service teachers as well as anyone teaching secondary social studies methods courses Added a Checking for Understanding section of questions at the end of each chapter that focuses on comprehension application and reflection on key concepts throughout the chapters An expanded discussion of the Common Core Standards and C3 Framework and how it impacts teachers An updated chapter titled *Experiencing Social Studies* This chapter focus on topics such as teaching with drama role play field trips and service learning Each chapter includes a Helpful Resources section that details various websites and online resources for further discovery

Getting to the Core of Literacy for History/Social Studies, Science, and Technical Subjects, Grades 6-12 Vicky Giouroukakis, Maureen

Connolly, 2013-05-06 Literacy it s not just for English teachers anymore The new Common Core English Language Arts Standards aren t just for English teachers Fluent reading and writing are critically important to the study of history social

studies science and technical subjects too What's more the progress your students make is directly tied to their ability to process information they read and to express their ideas in writing So how do you make literacy a focus of your teaching without taking time away from essential content This practical resource packed with teacher tested CCSS based sample lessons shows you how using the Backward Design approach to set and meet your goals Each lesson template includes The teaching strategies you'll utilize Ways to incorporate technology and media Variations for differentiation and interdisciplinary connections Links to the work of major educational theorists Following these models you'll set the CCSS in your sights and develop lessons that both meet standards and fit your classroom Before you know it you'll be infusing reading and writing across your curriculum in purposeful and meaningful ways

Reassessing the Social Studies Curriculum Wayne Journell, 2016-05-03 The terrorist attacks of September 11 2001 dramatically changed many aspects of American society and the ramifications of that horrific event are still impacting the domestic and foreign policies of the United States Yet fifteen years after 9/11 an event that was predicted to change the scope of public education in the United States we find that the social studies curriculum remains virtually the same as before the attacks For a discipline charged with developing informed citizens prepared to enter a global economy such curricular stagnation makes little sense This book which contains chapters from many leading scholars within the field of social studies education both assesses the ways in which the social studies curriculum has failed to live up to the promises of progressive citizenship education made in the wake of the attacks and offers practical advice for teachers who wish to encourage a critical understanding of the post 9/11 global society in which their students live
