

CRAFTING TOPIC SENTENCES FOR CLASSIFICATION ESSAYS

State Main Idea Of Paragraph

The topic sentence should clearly state the main category or sub-category being defined and analyzed in the paragraph. It establishes the central focus and classification.

Establish A Focus

The topic sentence provides details about the specific traits, characteristics, and parameters of the category/sub-category to establish a clear classification focus.

Link Back To Thesis

The topic sentence should relate the category/sub-category back to the overall organizational pattern and classification system outlined in the thesis statement. This reinforces the grouping logic.
