

The background of the book cover features a close-up of a pendulum bob, likely made of brass or gold, resting on a surface of fine, golden sand. The sand is disturbed by the bob's movement, creating a series of concentric, wavy ripples that spread outwards. The lighting is warm and directional, coming from the upper left, which highlights the metallic sheen of the bob and the texture of the sand. The overall composition is centered and balanced, with the text overlaid on the right side.
