Piazzetta Paoli 2 (English version) Pierpaolo Maiorano,2022-10-01 A parent on the run A juridical error A man who has lost his memory but who doesn't give up His journey to find the truth A truth that would have been better not to uncover Sentenced to life in prison for a double homicide he never confessed He can't he doesn't remember anything Not only about that night but about his past After ten years they let him go once the real killers are found He finds out he is alone Once back in his city seeing again the places where he grew up memories begin to resurface Of his first thirteen years of life when he was happy he had a beautiful family and a father who adored him After that darkness He doesn't understand why but he tries to start over From scratch The encounter with an old friend of his father makes him find out part of the truth The father on the run Him hiding in the car to follow him A terrible accident that leaves him in an irreversible coma according to doctors But the thing he can't accept is that his father left him in the hospital to his fate He doesn't believe it not for how much he remembers he loved him He wants to find him he has to He needs to find out why he abandoned him He thinks hopes that in those eighteen years of total darkness there is the answer The search leads him to Germany China Africa In the end he realizes that not knowing the truth would have been better *Bulletin of the International Railway Congress Association*
