**The Waters of Arcamo** A. C. Nicholas, 2013-10-17 High school senior Gina Corcoran lived a fairly normal life with her mother grandmother and brother Once every year or so she would even get to leave her home in San Antonio Texas and spend a few weeks in the summer with her great aunt Anna at a small farmhouse just outside of Binghamton New York There she would be told stories of her family of how they came from the Italian island of Sicily to America first to New York and then when her grandmother moved to Texas and of her life in San Antonio Family stories like these often have a lasting effect upon a person The stories that she wasn't told were older deeper darker and would change her life forever This is the story of Gina the great niece of Anna Del Forno the wealthy owner and CEO of Del Forno Bottling producers of Acqua D'Arcamo a popular bottled water made at a plant on the grounds of the Del Forno Villa an estate in Arcamo Sicily How Anna came to be the head of such a profitable company and all the abundance that came with it at first meant very little to Gina until of course the legacy took hold What some would see as a family legacy others might view as a curse How could Gina have possibly known what turns her life would take when with each passing day each startling revelation brought her closer to danger dancing with death Have you ever been frightened So afraid that you could barely control your own emotions Imagine what it would feel like if your inner fears and angers got the better of you and came out Think of it as letting out the inner beast Imagine over time being able to allow those feelings to come out whenever you needed them Oh and imagine that when you do you are no longer you but rather a fully grown wolf not a monster not a science experiment but a genuine living wolf You can think like a wolf think see like a wolf sees even hunt with the quiet tenacity in which a wolf hunts And when you hunger you will hunt All this unfolds here and more as Gina becomes immersed in the Waters of Arcamo *Broadcasting & Cable*, 2007
