Black Widow Elemental Assassin Series 1:

Black Widow Jennifer Estep, 2014-11-25 Lethal sexy and always ready to protect her friends Gin Blanco aka the Spider takes on the mysterious M M Monroe in book twelve of the New York Times and USA TODAY bestselling Elemental Assassin urban fantasy series There's nothing worse than a cruel cunning enemy with time to kill and my murder to plan With wicked Fire elemental Mab Monroe long gone you'd think I could finally catch a break But someone's always trying to take me down either as Gin Blanco or my assassin alter ego Now along comes the Spider's new arch nemesis the mysteriously named M M Monroe who is gleefully working overtime to trap me in a sticky web of deceit The thing is I'm not the only target I can see through the tangled threads enough to know that every bit of bad luck my friends have been having lately is no accident and that each unfortunate coincidence is just one more arrow drawing ever closer to hitting the real bull's eye Though new to Ashland this M M Monroe is no stranger to irony trying to get me an assassin framed for murder Yet as my enemy's master plan is slowly revealed I have a sinking feeling that it will take more than my powerful Ice and Stone magic to stop my whole life from going up in flames *Spider's Trap* Jennifer Estep, 2015-07-28 The next thrilling book in Jennifer Estep's New York Times and USA TODAY bestselling Elemental Assassin series an extraordinary series One of the most intriguing heroines in the genre Romantic Times Book Reviews Keep your friends close but your enemies within stabbing distance One important lesson I've learned in the assassination business is that to be the best you have to roll with the punches Now that I'm queen of Ashland's underworld by default not by choice a lot more punches are being thrown my way But I suppose that's the price of victory for taking down some of the underworld's top dogs Good thing I have my Ice and Stone magic to help me survive my volatile new position Just when I think things are finally settling down someone tries to murder me during a hush hush underworld meeting But the real surprise is how strangely familiar my shadowy assailant seems to be My job is to maintain order among killers crooks and thieves and soon I'm embroiled in a bloody game where the ability to keep secrets could be the greatest superpower of all My enemies have all sharpened their knives and laid their traps waiting for me to fall But this Spider weaves her own webs of death **Snared** Jennifer Estep, 2017-04-25 The sixteenth book in the New York Times bestselling Elemental Assassin urban fantasy series that RT Book Reviews calls An extraordinary series containing one of the most intriguing heroines in the genre Irony 101 The Spider herself snared in someone else's web Another week another few clues trickling in about the Circle the mysterious group that supposedly runs the city's underworld Gathering intel on my hidden enemies is a painstaking process but a more immediate mystery has popped up on my radar a missing girl My search for the girl begins on the mean streets of Ashland but with all the killers and crooks in this city I'm not holding out much hope that she's still alive A series of clues leads me down an increasingly dark dangerous path and I realize that the missing girl is really just the first thread in this web of evil As an assassin I'm used to facing down the worst of the worst but nothing prepares me for this new terrifying enemy one who strikes from the shadows and is determined to make me the next victim

Unraveled Jennifer Estep, 2016-08-30 I might be the Spider the city's most fearsome assassin but all my Ice and Stone elemental magic hasn't done me a lick of good in learning more about the Circle Despite my continued investigations the trail's gone as cold as the coming winter So when Finnegan Lane my foster brother gets word of a surprising inheritance we figure why not skip town for someplace less dangerous for a few days Page 4 of cover **Bitter Bite** Jennifer Estep, 2016-02-23 Which is stronger blood ties or a battle tested friendship That's the question Gin Blanco asks when a friend's long lost relative strolls into town The suspicious reunion is a surprise for everyone and a big problem for Gin Book fourteen in the New York Times bestselling urban fantasy series RT Book Reviews calls unbeatable entertainment It's not easy being queen bee of an underworld abuzz with crooks and killers Wielding my potent Ice and Stone elemental magic will only get me so far my real secret is my tight knit makeshift family a motley crew of cops and criminals dwarves and playboys My foster brother Finnegan Lane is my right hand man but when his suddenly not dead relative comes back into the picture I'm the one on the outside looking in It's funny how life works one minute your best friend is rock steady and the next he's doe eyed and buying into this whole loving relative routine to the point of ignoring you I'd like to be happy for Finn I really would But all of my instincts are telling me that beneath the syrupy sweet demeanor and old fashioned charm this sudden interloper is planning something The whole shtick leaves a bitter taste in my mouth This person might have avoided the grave once but I'll put anyone who hurts Finn in the ground for good *Elemental assassin : Bd. 1: Spinnenkuss* Jennifer Estep, 2014
