

# Chicago Style: Capitalization

- **Use headline-style capitalization for titles in the text, notes, and bibliography.**
  - Capitalize the first word of the title and subtitle and all important words, including proper nouns.
- **Apply sentence-style capitalization by request.**
  - Follow the guidelines above but exclude the important words that are not proper nouns.
- **Otherwise, take a minimalist approach to capitalization.**
  - Lowercase terms used to describe periods, for example, except in the case of proper nouns (e.g., “the colonial period,” vs. “the Victorian era”).
