When you observe the children for each assignment, please make sure and have the Field Work Log signed. You can find a copy of the log on my website (faculty.msmc.edu/scoo8662). This is a requirement for this course as well as your education courses (for those of you wishing to become teachers).

You will be doing observations and interviews. If you get permission you may be able to record your interviews. This may be easier than having to write during the interview and allow conversation to flow more smoothly. Please make sure and make the interview casual and fun for the subject. If they become upset at any time you should stop your line of questioning and alert a responsible adult (parent or teacher). Enjoy interacting with and observing the children.
