Tunnell, James S. Jacobs, Terrell A. Young, Gregory Bryan, 2012 Rev ed of *Children's literature briefly* Michael O Tunnell James S Jacobs 4th ed c2012 [Learning with Literature in the Canadian Elementary Classroom](#) Joyce Bainbridge, Sylvia Joyce Pantaleo, 1999-11 Grade level 1 2 3 4 5 6 7 k p e i t **Integrating Children's Literature through the Common Core State Standards** Rachel L. Wadham, Terrell A. Young, 2015-07-28 Implementation of the Common Core State Standards with the integration of children's literature can transform teaching and learning into a holistic and engaging experience Tackling nearly every aspect of the English Language Arts Standards and the measures they employ it offers a thorough plan for engaging elementary school students with literature It explores the benefits and teaching principles behind CCSS and explains how to apply them to literature Along with the strengths it has in connection to CCSS you will learn about the history of children's literature and what both fiction and nonfiction bring to the classroom You will find plenty of practical applications of the CCSS including book lists and lesson ideas along with thorough examples There is also a wealth of information on the kinds of readers you will encounter and explanations of how to meet their needs A final section focuses on creating a curriculum connecting the theory throughout the book with concrete lessons plans and units that cover the main CCSS skill sets

Aesthetic Approaches to Children's Literature Maria Nikolajeva, 2005-05-12 As undergraduate and graduate courses in children's literature become more established and numerous there is an intense need for a textbook that offers aesthetic rather than educational approaches to children's literature This work fills that void by providing students of children's literature with a comprehensible and easy to use analytical tool kit showing through concrete demonstration how each tool might best be used The chapters are organized around familiar and easily recognized features of literary texts e g author genre character Theoretical issues are illustrated by specific texts from the North American children's literature canon The book explores the particular aesthetics of children's fiction and the ways critical theory may be applied to children's texts while remaining accessible to a college readership without prior specialized knowledge of literary theory Each chapter includes a short introduction to a specific theoretical approach e g semiotics feminist psychoanalytic an example of its application to a literary text a number of activities study questions reading exercises and suggestions for further explorations

Children's Literature in the Classroom Diane M. Barone, 2011-03-08 Many reading programs today overlook an essential component of literacy instruction helping children develop an enduring love of reading This authoritative and accessible guide provides a wealth of ideas for incorporating high quality children's books of all kinds into K 6 classrooms Numerous practical strategies are presented for engaging students with picturebooks fiction nonfiction and nontraditional texts Lively descriptions of recommended books and activities are interspersed with invaluable tips for fitting authentic reading experiences into the busy school day Every chapter concludes with reflection questions and suggestions for further reading The volume also features reproducible worksheets and forms
