Black Dad White Dad The James Womack Story:

Black Dad—White Dad James Womack, 2013-03-25 If this book were about a football game instead of an ordinary life well lived we would read thirty chapters where your favorite team is two points behind in the fourth quarter with forty five seconds left on the play clock James is the quarterback and executes a play that produces the winning score with honor and dignity every time His life is a complex tapestry woven with threads of racism poverty alcoholism bravery illiteracy tension paternal rejection sexual exploitation patient endurance domestic violence and a strong faith in God The challenges he faces would have caused men of lesser faith to find solutions deeply rooted in violence hate alcohol and disregard for humanity and the sacredness of life James has invited you into the thoughts feelings successes and failures of his life in an intimate and honest presentation You will be honored by his honesty and humbled by his courage and determination There are enough struggles in this personal history to deter the brave but not enough to stop the honored bravery of someone who knows God *Black Dad White Dad* choreographs the life of black kid growing up in Mississippi as he transitioned from sharecropper status to urban life from illiteracy to education in the forties and fifties James does what so many think we may want to do in our life He not only asks the questions but searches for the answers One might say he should be mad at the world but he is not He does not let his life experiences be an excuse or the answer but uses each challenge and blessing as a welcome mat to the next chapter of his life

Black Dad?White Dad James Womack, 2013-03 A beautiful tapestry woven with threads of racism American history extreme poverty alcoholism fortitude illiteracy tension paternal rejection sexual exploitation domestic violence and extreme risk taking all sustained by the redemptive love of Christ Page 4 of cover

Letters in Black and White Winkfield Twyman, Jr., Jennifer Richmond, 2023-05-23 Unsatisfied with the relentless pace and narrow constraints of social media two Americans Winkfield Twyman Jr and Jennifer Richmond a black man and a white woman rediscovered the art of letter writing and maintained a years long correspondence about race in the United States In *Letters in Black and White* they share for the first time their exchange in full charting their journey from wary strangers to trusted confidants At a time when many Americans are dazed confused and angered by the country's current state of race relations they offer a model not only for having needed but difficult conversations but also for a better way forward Marked by well crafted turns of phrase sharp wit and sober reflection they do not rely on those fashionable words and phrases that have been drained of real meaning or are hopelessly saddled with excessive baggage such as antiracism white fragility and allyship Rather on topics ranging from the murder of George Floyd and the launch of the 1619 Project to the debate over reparations and the nature of elite black organizations like Jack and Jill of America they tell the truth as they see it in their own uncorrupted language speaking for no one but themselves Particularly critical of both the ideological battles that fuel media programming and entrench political rivalries and the noble sounding social and cultural projects that fail time and again to offer any meaningful solutions they identify productive ways to unify across our differences ways to find our common

humanity and to mend America's divided soul. Ultimately they offer an inspirational message of hope and optimism for all one that does not allow the past to define our present or predetermine our future.
