Bmw Gs 1150:

Long Way Round Ewan McGregor, Charley Boorman, 2013-04-11 A highly readable and spiritually uplifting book about a dream come true Wanderlust Touching and memorable one for armchair travellers and bike freaks Daily Mail From London to New York Ewan and Charley chased their shadows through Europe the Ukraine Kazakhstan Mongolia and Russia across the Pacific to Alaska then down through Canada and America But as the miles slipped beneath the tyres of their big BMWs their troubles started Exhaustion injury and accidents tested their strength Treacherous roads unpredictable weather and turbulent politics challenged their stamina They were chased by paparazzi in Kazakhstan courted by men with very large guns in the Ukraine hassled by the police and given bulls testicles for supper by Mongolian nomads And yet despite all these obstacles they managed to ride more than twenty thousand miles in four months changing their lives forever in the process As they travelled they documented their trip taking photographs and writing diaries by the campfire Long Way Round is the result of their adventures a fascinating frank and highly entertaining travel book about two friends riding round the world together and against all the odds realising their dream

Far Horizons Andrew Earnshaw, 2013-07-01 Stalked by a black bear encountering a close shave with a bull buffalo having his tent eaten by an elk and being mugged by a gang of racoons these are just a few of the adventures the author experiences as he attempts to circumnavigate North America by motorcycle in 2009 In doing so he discovers a land and two countries that feature a number of different divides political national cultural and geographical The early chapters describe the minimal planning that took place and the doubts that hit him when he begins his journey finding his motorcycle impounded by US Customs but then gradually transform with the release of the bike into a classic road trip as he delves down the Appalachians into Alabama meeting kindred spirits from the biking world on the way and warming mile by mile into a deep appreciation of the splendour of the landscape and the warmth of the inhabitants Later into the journey he travels through the First Nation reservations and looks into the history surrounding the demise of the Great Plains culture describing the victory of the Sioux and their allies at Little Bighorn then the massacre at Wounded Knee meeting descendants of those involved The book is light hearted and written in the spirit of gentle adventure by someone who admits to being a pretty slow rider and a navigational incompetent to boot If he manages to get back to Baltimore it will be a small miracle and hopefully by the time he gets there he will have finally found out what the Great Divide really is
