**Chichén Itza**, 1975      **Practical Guide to Better English** AGS Secondary, 2006-01-30 Promoting oral and written language development. The *Practical Guide to Better English* helps you teach the basics of vocabulary and grammar usage and mechanics skills and helps your students develop competence in standard modes of oral and written language. Each of the four levels offers 98 lessons and instruction is developmental with spiral learning in and across all four levels. Complements your literature program. The *Practical Guide to Better English* lessons teach skills students need to succeed in writing papers about literature. It also requires less class time than handbook programs: 100 lesson pages vs 500 lesson pages, leaving you more time for literature study and composition. Plus Word Whiz and other puzzler activities help build reading vocabulary. Easy to assess progress. The *Practical Guide to Better English* is efficient and manageable. All students work except longer writing assignments stay inside their book. A comprehensive review follows each unit and a final unit review in each level covers the entire year. Diagnostic and achievement tests allow you to measure progress on the skills learned.
