

Safeguarding Scenario: Neglect

The scenario in this resource provides an example of a safeguarding situation that could happen in an early years setting to help you consider possible signs and indicators of safeguarding issues and think about how to respond.

The 'What if' questions help you to think about what your response would be if you had more information; please keep in mind not all scenarios will necessarily need a referral.

For additional information about safeguarding issues, please refer to the [Safeguarding Children in Early Years Settings](#) resource.

Scenario

As a childminder, you have noticed that a child, Tai, is always dirty when they come into your setting. You have asked their parents/careers what you can do to help them and they have said they will get them clean when they come to you. You have also noticed that Tai is always dirty when they come to you. You have also noticed that Tai is always dirty when they come to you.

What are your concerns?
What next steps would you take?
Who would you share this information with?
Is there anything else you should do?

Checklist

Safeguarding Scenario: Neglect

The scenario in this resource provides an example of a safeguarding situation that could happen in an early years setting to help you consider possible signs and indicators of safeguarding issues and think about how to respond.

The 'What if' questions help you to think about what your response would be if you had more information; please keep in mind not all scenarios will necessarily need a referral.

If you are looking at this in a group situation, you may want to warn staff the scenario could be triggering.

Scenario

Tai is a child in your setting. They love to play outdoors and often get themselves wet or muddy. You notice that Tai starts to come into your setting in clothes that are dirty. When you asked their parents/careers, they said they didn't have time to clean them and they were only going to get them dirty again anyway. Tai also sometimes comes into your setting
