(The black wire should be connected directly to the tow vehicle battery using #12 wire and a 20 amp in-line fuse at the battery. Make certain that the wire is routed clear of moving and hot parts.)

The electrical system should be carefully examined each time the wiring harness is connected.

## HITCHING

When attaching your tow vehicle and your fold down tent camper, use the following steps:

- Crank the tongue jack handle clockwise to raise the tongue coupler above the height of the towing vehicle hitch ball.
- The tow vehicle should be backed up until the hitch ball is as close to the tongue coupler as safely possible. It is helpful to have someone guide the driver into position. Always make certain that the person is in full view.
- Lift the tongue coupler latching lever.
- Lower the tongue coupler by cranking the tongue jack handle counterclockwise until the tongue coupler rests on the hitch ball.
- Latch the tongue coupler onto the hitch ball. Make certain to double check that you have a firm connection.
- Drive the tow motor slowly forward off the ground by cranking the

accommodate cornering without allowing the wire to touch ground. Always check the turn signals, brake, and tow while towing the tent camper.

## BRAKES

The electric brake axle (optional), provides automatic braking power to the tent camper wheels whenever the tow vehicle brakes are applied.

## TIRES

The tires on your fold down tent camper play an important role in the load carrying capacity of your fold down tent camper. For maximum tire life, check your tires often. Check the tread and inspect the general condition of the tires.

It is best to always check a tire's air pressure when the tires are cold. Tires warm from use will show false higher pressure. The correct pressure and load carrying capacity of the tire is imprinted on the sidewall. Never over or under inflate tires. Under inflated tires run hot, shorten the tires life, and decrease the tent camper's load limit. Over inflated tires will cause a rough and bumpy ride and can damage tent camper components or cargo.
