Business Law in Canada, Third Edition. Study Guide and Workbook Richard A. Yates, Ruth Yates, 1992 **Business Law in Canada** Richard Yates, 1998-06-15 Appropriate for one semester courses in Administrative Law at both college and university levels Legal concepts and Canadian business applications are introduced in a concise one semester format The text is structured so that five chapters on contracts form the nucleus of the course and the balance provides stand alone sections that the instructor may choose to cover in any order We've made the design more reader friendly using a visually appealing four colour format and enlivening the solid text with case snippets and extracts The result is a book that maintains the strong legal content of previous editions while introducing more real life examples of business law in practice Contemporary Canadian Business Law John A.
