Candy By Luke Davies:

Candy Luke Davies,1998-06-16 Candy is beside me drenched in sweat She s breathing gently long slow breaths I imagine her soul going in and out wanting to leave wanting to come back wanting to leave wanting to come back The day will soon harden into what we need to do But for now we have each other He met Candy amid a lush Sydney summer Gorgeous sexy free spirited Candy They fell in love fast lots of laughter and lust the days melting warmly into each other He never planned to give her a habit But she wanted a taste And wasn t love after all about sharing lives Candy had a bit of money and in the beginning everything was beautiful Heady heroin hazed days the world open and inviting But when the money ran out the craving remained and the days ceased their luxurious stretch But there was still love Only now it was a threesome Heroin had its own demands its own timetable and thoughts of nabbing the next fix hurled them into each day Then when desperation sets in Candy will stop at nothing to secure a blast as she and her lover become hostage to the nightmarish world of addiction Painful sexy tender and charged with dark humor Candy provocatively charts the daily rituals of two lovers maintaining a long term junk habit Told in stunningly vivid prose and set against the backdrop of suburban and urban Australia Candy is both an electrifying and frightening glimpse of contemporary life and love **Running with Light** Luke Davies,1999-02-01 With his collection Absolute Event Horizon and the novel Candy Luke Davies has quickly established himself as one of Australia s most thoughtful and unflinching writers Running With Light sees him delivering on the promise of his earlier work as well as branching out in rich new directions as he wrestles vigorously with ways of appreciating the physical and emotional worlds in all their complexity Balancing on the dividing line between the colloquial and the formal Davies presents himself and the universe around him in a way that makes the familiar disconcertingly foreign and the foreign strangely familiar In doing so he causes us to look again at the world and ourselves through surprising provoking filters Confronting in its exploration of love mortality and our aloneness Running With Light is a volume that encourages us to engage with the sanctity of our elemental surroundings and to recognize ourselves there *Candy* Luke Davies,2000
