A People's Curriculum for the Earth Bill Bigelow, Tim Swinehart, 2014-11-14 A People s Curriculum for the Earth is a collection of articles role plays simulations stories poems and graphics to help breathe life into teaching about the environmental crisis The book features some of the best articles from Rethinking Schools magazine alongside classroom friendly readings on climate change energy water food and pollution as well as on people who are working to make things better A People s Curriculum for the Earth has the breadth and depth of Rethinking Globalization Teaching for Justice in an Unjust World one of the most popular books we ve published At a time when it s becoming increasingly obvious that life on Earth is at risk here is a resource that helps students see what s wrong and imagine solutions Praise for A People s Curriculum for the Earth To really confront the climate crisis we need to think differently build differently and teach differently A People s Curriculum for the Earth is an educator s toolkit for our times Naomi Klein author of *The Shock Doctrine* and *This Changes Everything*

Capitalism vs the Climate This volume is a marvelous example of justice in ALL facets of our lives civil social educational economic and yes environmental Bravo to the Rethinking Schools team for pulling this collection together and making us think more holistically about what we mean when we talk about justice Gloria Ladson Billings Kellner Family Chair in Urban Education University of Wisconsin Madison Bigelow and Swinehart have created a critical resource for today s young people about humanity s responsibility for the Earth This book can engender the shift in perspective so needed at this point on the clock of the universe Gregory Smith Professor of Education Lewis Clark College co author with David Sobel of Place and Community based Education in Schools **99 Ways to Lead & Succeed** Lynn Bush,Howard Bultinck,2013-10-18 Veteran educators Howard J Bultinck and Lynn H Bush draw from their own experiences as principals and teachers to offer school leaders 99 lessons they ve learned on the job and in daily life With this book principals other administrators and teacher leaders have a surefire head start on effective school leadership 99 Ways to Lead and Succeed Strategies and Stories for School Leaders provides workable insights on the daily life of a school leader including ways to handle stress communication tips moral and ethnical approaches and more This handy guide is for all teacher leaders principals and administrators who seek to noticeably improve their personal and professional lives in the context of school leadership **General Patterns** Patti Carson,Anamary Slawter,Janet Delloso,1984-05 Reasonable Children Michael S. Pritchard,1996 The public outcry for a return to moral education in our schools has raised more dust than it s dispelled Building upon his provocative ideas in On Becoming Responsible Michael Pritchard clears the air with a sensible plan for promoting our children s moral education through the teaching of reasonableness Pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills Reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community In such an environment children learn to work together to listen to one another to build on one another s ideas to probe assumptions and different perspectives and ultimately to think for themselves Advocating approaches to moral education that avoid mindless indoctrination and timid relativism Pritchard neither preaches nor hides behind abstractions He makes liberal use of actual classroom dialogues to illustrate children s remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truth-telling lying making and keeping promises obedience character and responsibility He also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state Pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers The result is a rich and insightful work that provides real hope for the future of our children and their moral education **Playthings** ,1927 *School Food Service Journal* ,1988 **Children's Business** ,1987-06 **Fiction, Folklore, Fantasy & Poetry for Children, 1876-1985:**
