Writing Queer Performance Le Gateau Chocolat, Dickie Beau, Ray Young, Bourgeois & Maurice, Sh!t Theatre, Rosana Cade, Ivor MacAskill, David Hoyle, Vijay Patel, 2024-12-26 This anthology documents a decade of some of the UK's most exciting queer performance through a combination of retrospective scripts development material and visual documentation. Queer performance is expected to live a brief bright life without leaving any textual record. Indeed it rarely begins with a complete script at all being often developed instead by performance practices designed to fill noisy bars clinking cabaret venues and fringe theatres typically for short runs. This lack of textual documentation underplays the importance of writing to contemporary queer performance while rendering it vulnerable to disappearance in the diaphanous archives of memory. **Writing Queer Performance: Contemporary Texts and Documents** features eight seminal works captured through performance texts and visual documentation that ensures their accessibility long after the event of live performance. Supported by a contextualizing introduction the anthology provides a panoramic view of contemporary preoccupations processes and practices.
