The Average Family's Guide to Financial Freedom Bill Toohey, Mary Toohey, 2000-02-24 Bill and Mary Toohey are average middle income people from a small Iowa town Bill has been employed for 23 years as a Vocational Rehabilitation Counselor and Mary has worked for 20 years as an Office Manager for a small psychological firm They started saving and investing in 1991 when their net worth was 63 000 Eight years later

their net worth was 467 000 In other words their assets increased by an average of more than 50 000 per year during that period while their income not counting dividends and capital gains averaged about 65 000 per year But it wasn't always easy They have three children Colleen 24 Tim 22 and Meghann 14 Tim has been severely disabled since birth and despite the challenges of helping Tim cope with his chronic illnesses the Toohey family has been able to achieve financial freedom on a modest income They were able to build a sizable nest egg in eight years while encountering some of life's biggest expenses during the period They helped to pay for their daughter's college education and wedding paid cash for a new car and made several expensive home improvements Despite those major expenses the Tooheys still managed to save 46% of their gross income and were listed among the Best Personal Finance Managers in America in the December 1994 issues of Money magazine The Tooheys story in an article written by Bill appeared in the April 1997 issue of Money magazine Mary co-authored an article published in the February 1998 issue of McCall's magazine In May 1997 Bill was invited to speak at Money magazine's Elgin Project seminar series Money magazine adopted Elgin Illinois and brought in speakers with expertise in personal finance Former President Bush kicked off the event How did they do it How do they think How do they live Is it possible to save so much and still have a decent life Can my family do this Get the answers to all these questions and more in a book written specifically for families with children who don't earn big bucks *Financial Freedom for Beginners* Nathan Bell, 2019-11-22 The idea of financial freedom is a ripoff and it only convinces you to invest without the benefit of profit How many times have you heard words like this from an advisor It could be twice or more or never it all depends on the category of people you have in your circle those people close enough to know your financial business They know this because they have inquired into this particular subject matter and might believe this because they failed in carrying out the right steps and strategy to attaining a stable financial state at all Every individual is interested in attaining the financially free status Still the fact that you desire this financially free status Still the fact that you desire this financial status does not confirm that you would be successful in your strategy to attaining and sustaining it Although some individuals like to present the idea that you can only achieve financial freedom if you are a retiree that has worked endlessly for a cooperation that has a retirement plan This belief is a farce the option of financial freedom is available to every individual from every group provided you adhere to the strategies contained in this book Even if you have lost your job and there is no hope for basic pay anytime soon financial freedom is attainable for you As an individual seeks to attain financial freedom what does this book have to offer The steps and strategies to attaining and sustaining true financial freedom The possible income options that are available to maintain a financially free lifestyle or status The necessary steps to ensure that you are not at a loss in financial decisions The role of financial freedom in the economy of both retirees and non-retired individuals This book aims at familiarizing every individual with the idea strategy role and importance of financial freedom to their economy and also to eliminate the belief that financial freedom is just a myth Therefore even if your expenses are higher than your basic pay or

salary financial freedom is still a feasible option for you if you decide to purchase this book immediately
