

Canadian Adult Achievement Test (CAAT) Candidate Brochure¹

General Information about the CAAT

Q1. What does the CAAT measure?

A1. The portions of the CAAT that police applicants must take are designed to assess one's ability to communicate in writing in English. In particular, the test focuses on vocabulary, spelling, and English grammar.

Q2. How many questions are there?

A2. The test is comprised of 134 multiple-choice questions.

Q3. How long will it take to write the CAAT?

A3. It will take approximately 1 hour and 35 minutes to complete (including instructions and breaks).

Q4. What do I need to do to prepare for the test?

A4. The ability to communicate in writing is something that can be improved over time with proper instruction and plenty of practice. You may consider reviewing English grammar rules, as found in a typical grade 12 text book (we do not recommend any particular book for this purpose – check with your local library or any good bookstore). Developing vocabulary and spelling ability takes time. Reading well-written contemporary material (e.g., newspaper articles, magazines, etc.) to develop your vocabulary, and practicing spelling words from this material, are some of the things that you may choose to do to prepare for the CAAT.

Q5. How do I arrange to take the test?

A5. If you need to write the CAAT as part of the application process for a particular police agency, that agency will inform you of where and when you can write the CAAT.

¹ This brochure is provided to prospective CAAT candidates to address common questions they may have about the test. However, the material in this brochure does not give the reader an advantage over someone who has not read the brochure. Therefore, it is not essential, nor necessary, that candidates receive or read this brochure in advance of taking the CAAT.
