

CANNON[®] MINI-TROLL[™]

CAUTION:
READ THIS MANUAL CAREFULLY
BEFORE OPERATING YOUR NEW
CANNON[®] DOWNRIGGER. RETAIN
FOR FUTURE REFERENCE.

Controlled-Depth Fishing with the Mini-Troll

Controlled depth fishing enables fishermen to place a lure at a desired depth by utilizing a downrigger. Because of varying factors (water temperature, thermocline, weather, tides, time of day, or time of year) it is necessary for successful fishing to maintain specific water depths that coincide with fish movements and feeding patterns.

One essential feature of the downrigger is the depth meter or gauge that indicates lure depth. This allows the angler to control the specific depth and return to depths where fish have been caught before. With your new Mini-Troll downrigger you now have a huge advantage by putting your lure where the fish are. So using Cannon downriggers will make your fishing more successful and more enjoyable.

Setting Up Your Downrigger

Terminator Instructions

Mounting to Your Boat

Depending on boat application, the spacer block (supplied) may be required. To attach the spacer block to the main frame, simply slide the dovetail shaped tab of the block into the matching recess in the frame. Make sure that the holes in the block should face down.

Transom Mount

Depending on transom width, a wood block may be required to allow the rigger to clamp properly.

Gunwale Mount

On thin-walled aluminum boats, it is recommended that a wood block be used on the inside of the boat. This will distribute the clamping force to a larger area to prevent possible boat damage.

Depending on rail overhang, a wood block may also be required on the outside of the boat.

Maintaining Your Downrigger

Freshwater Operation

At the beginning of each fishing season, place a drop of oil on the cable reel shaft, the swivel head pulley bearings, and the cable reel thrust bearings.

Saltwater Operation

Clean unit thoroughly after each trip and lubricate as above on a more frequent basis.

NOTE: Do not return your CANNON[®] downrigger to your retailer. Your retailer is not authorized to repair or replace this unit.

You may obtain service by:

- calling CANNON[®] at 1-800-227-6433;
- returning your downrigger to the Factory Service Center at Johnson Outdoors, Inc., Cannon Division, 706 Holly Lane, Mankato, MN 56001;
- sending or taking your downrigger to any CANNON[®] Authorized Service Center on enclosed list.

Please include proof of purchase, serial number, and purchase date for warranty service with any of the above options.
