Canon EOS 5D Mark III James Johnson, 2012-12-28 The Canon EOS 5D Mark III is the latest in Canon's line of full frame DSLR cameras. Its impressive array of capabilities and advanced controls allow the photographer ever more influence over the final image. With this comes more menus, buttons and dials that the photographer must learn how to use to take full advantage of the camera. This book explores the features and capabilities of the 5D Mark III in a way that far surpasses the user's manual. It guides readers through the camera features with step by step setting adjustments, color illustrations and detailed how, when and why explanations for each option. Every button, dial, switch and menu configuration setting is explored in a user friendly manner with suggestions for setup. The informative text is illustrated with screenshots and example images throughout making it easy to follow along. Author James Johnson covers everything from the basic features of the camera to the numerous advanced photographic options as he discusses topics such as focus and exposure, lenses, lighting, custom settings and more. With this book as your guide you'll learn how to get the most out of this powerful camera.
