Finding Calcutta: Memoirs of a Photographer Marie Bissell Constantin, 2016-07-28 In 1984 Mother Teresa arrived in New Orleans to speak to a large crowd waiting in the Superdome As Marie Bissell Constantin drove from Baton Rouge to take her photograph she

had no idea that her encounter would mark the first of many and that one day one of her images of Mother Teresa would be unveiled in front of over three hundred thousand people for her beatification ceremony in St Peter's Square In her photographic memoir Constantin leads others through her unique journey as she traveled to capture Mother Teresa in rare private moments and document the vow ceremonies of her sisters In addition to powerful black and white images Constantin shares fascinating anecdotes that provide a behind the scenes glimpse into the daily experiences of women devoted to doing God's work and also into Constantin's own personal journey as she explored the possibility of becoming a nun herself Finding Calcutta shares black and white images and personal stories that shine a light on the selfless life of nuns around the world who live and work among the most abandoned people in the world taken from back of dust jacket [Memoirs Of A Learning Disabled, Dyslexic Multi-Millionaire](#) Allen Weinstein,2015-10-09 This book is written in two parts One describes how Allen Weinstein at seventy nine has become who he is today overcoming obstacles that were deemed impossible He couldn't read until he was thirteen and was labeled and written off by our educational system He never believed he was a failure even if he failed One Sunday night he went to sleep a multimillionaire and woke up Monday morning completely broke Yet he never gave up What motivates him and what keeps him strong In this book h **Masquerading Memoirs** Lawrence Creegan,2021-08-30 I was born the fourth of four sons to my Irish school teaching parents who resided in Warwick Rhode Island Like many other kids I was a handful for my parents but I managed to graduate from Pilgrim High School in Warwick in 1973 I then enrolled in Johnson and Wales University in Providence in 1976 and graduated in 1978 with an associate degree in culinary arts I only lasted about four years in the food industry as it mostly commands that you work on weekend nights and holidays During my stint in the food industry I would hear from my friends what a party you missed or what a concert you missed Needless to say I got sick of hearing this so I took a carpenter apprentice job and ended up starting my own construction business as an independent home remodeler That kept me happy and lasted 26 years until the banking crisis hit in 2008 As the economy hit bottom my phone quit ringing as everyone was afraid to spend any money I then took a job with the state of Rhode Island working for a local university near my home I have since retired on my birthday of all days in November of 2020 Now I just wait for the royalty checks to roll in This book is basically an autobiography starting with the continuation of my first book Hi Larry ous Halloweens which was published in 2004 I didn't give up making costumes after 2004 so I created this book to give some insight to the Hi Larry ous Halloweens fans I created after first book came out Costumes make up the first half of the book and the rest are short stories of events that have happened to me over my lifetime When I let some close friends read the prototype of this book most of them were laughing a page or two which makes me smile **Memoirs of a Middle-Aged Hummingbird** Suellen Zima,2006-06-02 On this long unique extraordinary journey we join an American middle aged teacher as she wanders the world Emigrating to Israel in 1983 she takes us to a boarding school where she cares for newly arrived Ethiopian teenage immigrants We follow her next to a small Israeli Arab

town In 1988 she takes us back to China as it can never be seen again and through her students lives watches its tumultuous changes from then until 2005 Taiwan Macau Bali and Korea also become home while New Zealand Fiji Turkey Vietnam Russia and Iceland among others beckon briefly but she always returns to China Through the enthralling details of the everyday life of ordinary people the reader virtually lives their struggles fears achievements joys and dreams Curiosity intensity and the journals she keeps along the way are her constant traveling companions This independent budget traveler keenly experiences cultures like a hummingbird with feet planted firmly in mid air hovering drinking deeply and then flitting away to return another day Interwoven throughout are her personal emotional and spiritual journeys This is a true life odyssey any seasoned or armchair traveler will want to explore
