**Mervyn Himbury: Principal and Preacher** Frank D. Rees, 2022-03-31 Mervyn Himbury migrated to Melbourne Australia in 1959 Through the sheer force of his personality he led the transformation of a small impoverished Baptist seminary to the premier Baptist institution in Australia From the humble life of a Welsh mining village Himbury proceeded to university studies in Cardiff and then Oxford The story begins with the cultural and religious background of Himbury's early life as a Welsh Baptist exploring the distinctive ethos of the institutions where he studied

during and just after the Second World War Himbury's lifelong passion for history is revealed through an examination of his Oxford thesis and subsequent publications about the puritan groups from which the Baptist movement arose In Melbourne he quickly became known as a brilliant preacher and media presenter As professor and principal of Whitley College Himbury's central concern was ministerial education that would serve the churches in a rapidly changing world For Himbury the central task of ministry was preaching and it is with this dimension of his life that the biography begins and concludes drawing upon sermon records to demonstrate his commitment as a servant of the word of God [The Dictionary of National Biography](#)
