## Instruction manual

**WARNING**

Except where specifically stated otherwise, this manual must be used only by a qualified service technician.

In the state of Massachusetts, this product must be installed by a licensed Plumber or Gas Fitter.

Failure to comply with the above or other requirements in this manual could result in severe personal injury, death or substantial property damage.

**WARNING**

**USER** — Refer only to User care and maintenance on back page for information regarding operation of this burner. The burner Instruction Manual is intended only for your service technician. The burner and heat exchanger must be inspected and started at least annually by your service technician.

**WARNING**

Check burner cartons carefully. The Model 702G/O combination gas/oil burner was assembled and tested at the factory before shipment. If the burner was ordered with a completed assembled gas train, the train was pressure tested and electrically checked for proper operation. Where possible, the gas train or components were shipped in the same carton as the burner. Check your packing slip for the number of cartons shipped from the factory.
