**Before You Read**

In the last lesson you learned about the war's effects on Europe and Japan.

In this lesson, you will learn about the international tensions that followed the war.

**As You Read**

Use a chart to record actions or policies that helped create the Cold War.

**LONG-TERM CONSEQUENCES OF WORLD WAR II**

**What were some effects of World War II?**

World War II was the most destructive war in history. Over 60 million soldiers and civilians died during the war. After the war, hunger and disease killed many others. The destruction of land and property and new national borders forced millions of people to move to new areas. Economies were ruined and some countries had to

rebuild from almost nothing. Western European countries improved faster than countries under Soviet control.
