Chapter 1the Great Depression Begins:

American Public Policy Dennis W. Johnson,2022-09-15 This is a sweeping narrative of American domestic public policy its triumphs struggles and failures over the past 120 years In a larger sense it is a reflection on how the United States has grown and matured faced challenges and opportunities and how its federal leaders and policymakers have responded or failed to confront pressing problems Moreover American Public Policy addresses the hurdles and challenges that still lie ahead Four critical questions are posed and answered First what were the most significant adversities endured by the American people Second what were the landmark domestic policies crafted by the president enacted by Congress or issued in Supreme Court decisions Third what did they fail to do Finally how well have federal policymakers met the key challenges facing America income inequality racism financial crises terrorist attacks climate change gun violence and other pressures And what do we still need to do This book reaches out to students of public policy American government US history and contemporary affairs as well as to citizens journalists and policy practitioners

Good-Bye, Lord, I'M Going to New York Vic Currierv,2015-05-20 America would be very different if William Harding Jackson 1901 1971 had not put his indelible stamp on the US government as OSS War Department chief of secret intelligence in World War II Europe cofounder of todays Central Intelligence Agency and his work as Eisenhowers national security adviser During the most dangerous times in our history and for decades beyond his death there is no other American who influenced so many sensitive top secret national security matters more than Jackson When Bill Jackson was in the room everyone paid attention and for a time in our history three US presidents saw to itpersonally

Resistance and Recognition at Kitigan Zibi Dennis Leo Fisher,2023-11-15 *Resistance and Recognition at Kitigan Zibi* tells the modern history of Kitigan Zibi the largest and oldest Algonquin reserve in Canada This local history sheds light on the larger experience of the Algonquin First Nations whose traditional lands span the Ottawa River watershed and cross contemporary boundaries Drawing on archival sources and interviews with community members this work elucidates the relationship between culture and politics on the reserve during the twentieth century Despite the disruptions of settler colonialism the Algonquin have maintained a distinct identity and have waged a multifaceted struggle against assimilation and economic marginalization This struggle has played out in political spaces including border crossing celebrations grand councils and courtrooms This fight has also informed strategic labour choices interactions with game wardens and protests against the Catholic Church *Resistance and Recognition at Kitigan Zibi* demonstrates that the contest over recognition of treaty rights and traditional lands is longer broader and deeper than previously understood
