

Chapter 2

Production factors

The higher the economic growth the closer the country is to solving the scarcity problem

The inflation rate can tell us how stable prices are

Inflation can harm an economy if it isn't stable

Purchasing power how many products people can buy with their income

South African central bank is the SARB South African reserve bank which aims to keep inflation rate between 3-6%

Natural rate of unemployment- the lowest possible unemployment rate in an economy

Other countries' unit of money is called foreign currency or foreign exchange

5 macroeconomic objectives

What these objectives suggest is that at all levels of the economy we can observe progress if there is a combination of growth, stability and equity

Transaction - buyer gets good by trading money for them

Kinds of markets

Product market

Factor market

Financial market

Foreign exchange market

Real flow flow of products

Price signals of the market tell producers when to produce more and when

Walstad,1987-01-31 Since its establishment in the 1950s the American Economic Association s Committee on Economic Education has sought to promote improved instruction in economics and to facilitate this objective by stimulating research on the teaching of economics These efforts are most apparent in the sessions on economic education that the Committee organizes at the Association s annual meetings At these sessions economists interested in economic education have opportunities to present new ideas on teaching and research and also to report the findings of their research The record of this activity can be found in the Proceedings of the American Economic Review The Committee on Economic Education and

its members have been actively involved in a variety of other projects In the early 1960s it organized the National Task Force on Economic Education that spurred the development of economics teaching at the precollege level This in turn led to the development of a standardized research instrument a high school test of economic understanding This was followed later in the 1960s by the preparation of a similar test of understanding college economics The development of these two instruments greatly facilitated research on the impact of economics instruction opened the way for application of increasingly sophisticated statistical methods in measuring the impact of economic education and initiated a steady stream of research papers on a subject that previously had not been explored **Kaplan AP Macroeconomics/Microeconomics 2007**
