Ample notes accompany each page providing fresh insights by renowned Scripture scholars Scott Hahn and Curtis Mitch as well as time-tested interpretations from the Fathers of the Church. These helpful study notes provide rich historical, cultural, geographical, and theological information pertinent to the Old Testament books, information that bridges the distance between the biblical world and our own. The Ignatius Catholic Study Bible also includes Topical Essays, Word Studies, and Charts. The Topical Essays explore the major themes of the books of Samuel, often relating them to the teachings of the Church.
