Chapter 24 Section 1 A Conservative Movement Emerges Answers:

A Fundamental Freedom David Lampo, 2012-06-08 It is an axiom of modern American politics that many Republicans and most conservatives are not only anti gay but that they have capitulated to an anti gay agenda formulated and pursued by the religious right for the past several decades In A Fundamental Freedom David Lampo makes the case that support for gay rights will provide long term political benefits for the GOP and the conservative movement He argues that an anti gay agenda succinctly exposes the hypocrisy of those who talk of limited government and individual rights but ignore both when it comes to gay rights and other personal freedom issues Indeed it is the defenders of gay rights within Republican ranks who are keeping faith with core conservative principles He also presents a variety of polling data that show that rank and file Republicans including many Tea Party supporters are far more supportive of gay rights than commonly presumed Lampo's call to embrace gay rights is sure to be hotly debated within the conservative movement Contemporary Orthodox Judaism's Response to Modernity Barry Freundel, 2004 Rabbi Freundel in 31 essays summarizes Orthodox Jewish teaching on a variety of issues Congressional Record United States.
