Daniel F McAuley

Chapter 1 section Guided Reading The Cold War Comes Home:

The Greatest Generation Comes Home Michael D. Gambone, 2005-10-18 At the conclusion of World War II Americans anxiously contemplated the return to peace. It was an uncertain time filled with concerns about demobilization, inflation, strikes, and the return of a second Great Depression. Balanced against these challenges was the hope in a future of unparalleled opportunities for a generation raised in hard times and war. One of the remarkable untold stories of postwar America is the successful assimilation of sixteen million veterans back into civilian society after 1945. The G I generation returned home filled with the same sense of fear and hope as most citizens at the time. Their transition from conflict to normalcy is one of the greatest chapters in American history. *The Greatest Generation Comes Home* combines military and social history into a comprehensive narrative of the veteran's experience after World War II. It integrates early impressions of home in 1945 with later stories of medical recovery, education, work, politics, and entertainment, as well as moving accounts of the dislocation, alienation, and discomfort many faced. The book includes the experiences of not only the millions of veterans drawn from mainstream white America but also the women, African Americans, Latinos, and Asian Americans who served the nation. Perhaps most important, the book also examines the legacy bequeathed by these veterans to later generations who served in uniform on new battlefields around the world.

A Cold War Tourist and His Camera Martha Langford, John Langford, 2011-01-27 Cold War era imagery is defined by the striking contrast between the ideal of the nuclear family and the nightmare of nuclear annihilation. In 1963, Warren Langford, a Second World War air force veteran and career public servant, travelled through Europe, North America, and Africa as part of the National Defence College's curriculum of Cold War training. Langford, never before much interested in photography, bought a camera and produced some 200 slides of his travels. In *A Cold War Tourist and His Camera*, his art historian daughter and political scientist son bring his photographs, an unexpected combination of iconic images of Cold War dangers and touristic snapshots, back into view. *Literary Digest*, 1918

The Literary Digest Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1900 *CA Te Am Anthem 2007* Mod Holt Rinehart & Winston, 2007 *Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World* Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, 1918 *The War Cry*, 1896 *The London Journal, and Weekly Record of Literature, Science, and Art*, 1847

Pay Any Price Lloyd C. Gardner, 1997 Lyndon Johnson brought to the presidency a political outlook steeped in New Deal liberalism and the idea of government intervention for the public good at home or abroad. Seeking to fulfill John Kennedy's pledge in Southeast Asia, LBJ constructed a fatal coupling of the Great Society and the anti-Communist imperative. *Pay Any Price* is Lloyd Gardner's riveting account of the fall into Vietnam of behind-the-scenes decision making at the highest levels of government of miscalculation, blinkered optimism, and moral obtuseness. Blending political biography with diplomatic history, Gardner has written the first book on American involvement in the Vietnam War to

use the full resources and newly declassified documents of the Johnson Library and to tell whole the story of Johnson and Vietnam The book is filled with fresh interpretations brilliantly incisive portraits of the president and his men and new perspectives on America s most divisive foreign war Gardner describes for the first time how as tragedy swirled around the deliberations in Washington Clark Clifford and Dean Rusk struggled for the president s soul culminating in the bombing halt of 1968 and the Johnson decision not to run The war finally sundered the liberal cold war consensus Gardner argues and brought to an end the New Deal politics that had dominated American political life since 1933 Pay Any Price is a major work of history by one of our most distinguished historians
