OPPOSITION TO RECONSTRUCTION
(Pages 393–395)**What was the Ku Klux Klan?**

Many Southerners did not like the notion of greater rights for African Americans—especially the right to vote. Some Southern citizens formed terrorist groups that opposed rights for African Americans. One such group was known as the **Ku Klux Klan**. This group used violence to keep blacks from voting.

The Klan and other groups also tried to prevent African Americans from making economic progress. They killed livestock that belonged to African Americans. They attacked African Americans who owned their own land and forced them to work for white landowners.

In 1872, Congress weakened the power of the Republican Party in the South. Many white Southerners had complained about Republican abuses of power during Reconstruction. They claimed that Republicans kept many white Southerners from reaching public office. As a result, Congress passed the Amnesty Act in 1872. The act gave many former Confederates the right to vote. Southern Democrats began to regain power in the South.
