

Start of the Cold War

Fill in the Blank: Read the passage below and for every blank line, choose the term that best fits and completes that sentence. All of the terms used are included below the reading passage.

After WWII had ended, the world had two _____, the United States and the Soviet Union. The two nations would be at constant odds primarily because the Soviet Union had a _____ government. Unlike a _____, like we have in the U.S., in a communist government, people have very little freedom or economic opportunity.

The leader of the Soviet Union both during and after WWII was Joseph _____. and he wanted to spread communism throughout the _____. When WWII ended, Soviet troops controlled _____ Europe and installed communist governments in these nations. The _____ Plan was an effort by the _____ to help _____ Europe rebuild from the destruction of WWII.

Chapter 1section The Cold War At Home Answer Key

Marc Trachtenberg

Chapter 1section The Cold War At Home Answer Key:

The Cold War and After Marc Trachtenberg,2012-03-12 A new way of looking at international relations from a leading expert in the field What makes for war or for a stable international system Are there general principles that should govern foreign policy In The Cold War and After Marc Trachtenberg a leading historian of international relations explores how historical work can throw light on these questions The essays in this book deal with specific problems with such matters as nuclear strategy and U S European relations But Trachtenberg s main goal is to show how in practice a certain type of scholarly work can be done He demonstrates how in studying international politics the conceptual and empirical sides of the analysis can be made to connect with each other and how historical theoretical and even policy issues can be tied together in an intellectually respectable way These essays address a wide variety of topics from theoretical and policy issues such as the question of preventive war and the problem of international order to more historical subjects for example American policy on Eastern Europe in 1945 and Franco American relations during the Nixon Pompidou period But in each case the aim is to show how a theoretical perspective can be brought to bear on the analysis of historical issues and how historical analysis can shed light on basic conceptual problems *McDougal Littell the Americans* Gerald A. Danzer,1999-07-23 **CA Te Am**

Anthem 2007 Mod Holt Rinehart & Winston,2007 Literature-Based Vocabulary Activities for Grades 9-12

diplomacy was the best means of furthering their own primarily competitive goals Miles narrates the history of these dramatic years as President Ronald Reagan consistently applied a disciplined carrot and stick approach reaching out to Moscow while at the same time excoriating the Soviet system and building up US military capabilities The received wisdom in diplomatic circles is that the beginning of the end of the Cold War came from changing policy preferences and that President Reagan in particular opted for a more conciliatory and less bellicose diplomatic approach In reality Miles clearly demonstrates Reagan and ranking officials in the National Security Council had determined that the United States enjoyed a strategic margin of error that permitted it to engage Moscow overtly As US grand strategy developed so did that of the Soviet Union Engaging the Evil Empire covers five critical years of Cold War history when Soviet leaders tried to reduce tensions between the two nations in order to gain economic breathing room and to ensure domestic political stability prioritize expenditures on butter over those on guns Miles s bold narrative shifts the focus of Cold War historians away from exclusive attention on Washington by focusing on the years of back channel communiqu s and internal strategy debates in Moscow as well as Prague and East Berlin
