Zaborowska, 2018-03-29 The last sixteen years of James Baldwin's life 1971-87 unfolded in a village in the South of France in a sprawling house nicknamed Chez Baldwin In *Me and My House* Magdalena J. Zaborowska employs Baldwin's home space as a lens through which to expand his biography and explore the politics and poetics of blackness queerness and domesticity in his complex and underappreciated later works Zaborowska shows how the themes of dwelling and black queer male sexuality in *The Welcome Table* *Just above My Head* and *If Beale Street Could Talk* directly stem from Chez Baldwin's influence on the writer The house was partially torn down in 2014 Accessible heavily illustrated and drawing on interviews with Baldwin's friends and lovers unpublished letters and manuscripts *Me and My House* offers new insights into Baldwin's life writing and relationships making it essential reading for all students scholars and fans of Baldwin

**Security and Defence in the Terrorist Era** Elinor C. Sloan, 2005-10-28 National security is one of the most contentious topics in public policy and politics and one of the most important for the twenty first century Since the terrorist attacks of 11 September 2001 security and defence have undergone such unprecedented overhauls that even recently implemented policies require reexamination In this second edition of *Security and Defence in the Terrorist Era* Elinor Sloan provides a significantly revised and updated analysis of developments in Canadian and American security and defence policy and notes where there are weaknesses that call for improvement The author argues that since the Second World War Canada has assumed that potential threats will come from overseas rather than from within its borders *Security and Defence in the Terrorist Era* shows that Canada's safety depends upon paying equal attention to threats at home and insists that we must consider the effect of climate change on the Arctic as seriously as terrorist threats and ballistic missile defence Im-Lib.

Egl. Pow. Concise Murrin, 2003-07      *Agents of Subversion* John P. Delury, 2022-10-15 *Agents of Subversion* reconstructs the remarkable story of a botched mission into Manchuria showing how it fit into a wider CIA campaign against Communist China and highlighting the intensity and futility of clandestine operations to overthrow Mao In the winter of 1952 at the height of the Korean War the CIA flew a covert mission into China to pick up an agent Trained on a remote Pacific island the agent belonged to an obscure anti communist group known as the Third Force based out of Hong Kong The exfiltration would fail disastrously and one of the Americans on the mission a recent Yale graduate named John T Downey ended up a prisoner of Mao Zedong s government for the next twenty years Unraveling the truth behind decades of Cold War intrigue John Delury documents the damage that this hidden foreign policy did to American political life The US government kept the public in the dark about decades of covert activity directed against China while Downey languished in a Beijing prison and his mother lobbied desperately for his release Mining little known Chinese sources Delury sheds new light on Mao s campaigns to eliminate counterrevolutionaries and how the chairman of the Chinese Communist Party used captive spies in diplomacy with the West *Agents of Subversion* is an innovative work of transnational history and it demonstrates both how the Chinese Communist regime used the fear of special agents to tighten its grip on society and why intellectuals in Cold War America presciently worried that subversion abroad could lead to repression at home      *We the People* Houghton Mifflin Company, 1997      Farm, Stock and Home , 1893      **Bowker's Complete Video Directory 2001** , 2001      **Military Cold War Education and Speech Review Policies** United States.
