The Cold War Valerie Bodden,2007-07 Examines the twentieth century standoff between the United States and the Soviet Union discussing origins nuclear strategies and the breakup of the Soviet Union

The Social Construction of the Korean War Jennifer Milliken,2001 In light of the recent declassification of state papers from Western Soviet and Chinese archives this intriguing book presents a re examination of the Korean War The authors present a revealing analysis of North Korea s decision to invade South Korea in June of 1950 Soviet and American foreign policy during the war and Chinese intervention The book also shows how the standard explanations of the war in international relations theory inherited from foundational approaches are misleading or incomplete

The Cold War Meredith Day,2016-07-15 Immediately following World War II former allies the United States and the Soviet Union began an open yet restricted rivalry that became known as the Cold War and played out around the world until the Soviet Union s collapse in 1991 Many conflicts such as the Chinese Civil War the Korean War the Vietnam War and the Arab Israeli wars acted as proxy wars for the U S Soviet competition Other major issues explored in this examination of the Cold War include Europe s Iron Curtain the nuclear arms race decolonization in Africa and the spread of communism into Latin America and Southeast Asia

The Korean War's Project Blue Book Kenneth Arnold,2020-11-23 1947 is considered by most historians of the United States as the year when the Cold War began with the implementation of the Truman Doctrine to contain the propagation of world Communism which give rise to the anti communist hysteria of the following years By June 25 1950 some 75 000 soldiers from the North Korean People s Army poured across the 38th parallel the boundary between the Soviet backed Democratic People s Republic of Korea to the north and the pro Western Republic of Korea to the south This invasion was the first military action of the Cold War By July American troops had entered the war on South Korea s behalf Also in those same early days of the Cold War the skies over the continental U S were flush with sightings of objects that led many Americans to look to the stars for answers However at the same time a unexpected invaders appeared in the skies over Korea During the 37 month conflict dozens of men reported seeing unidentified flying objects At first it was theorized that these crafts might be Soviet or Chinese vessels with technology unknown to American troops or Soviet experiments based on German technology or foreign research in anti gravity powered by electromagnetic

propulsion However as times went on UFO sightings throughout the Korean war increased This fact discredited the Soviet Experiment Theory because the Soviet Union or even China or the US at that time did not have the technological capabilities to develop this kind of weapon and tested it so often Finally in July 1953 the Korean War came to an end After three years of a bloody and frustrating war the United States the People s Republic of China North Korea and South Korea agree to an armistice But American GI s continued reporting seeing strange objects in the skies well into the year 1954 The following year that the Korean War ended the United States Air Force ran Project Blue Book aka Project 10073 It was a systematic study into unidentified flying objects and their potential threat to national security It was shutdown in December 1969 and the Air Force announced they had found nothing important However the project ended abortively and many questions remained like those strange objects reported during the Korean War This book is an authentic reproduction of the original printed documents on shades of gray IMPORTANT despite the fact that we have attempted to accurately maintain the integrity of the original work the present reproduction has missing and blurred pages poor pictures and FBI censorship s pencil markings from the original scanned copy Many of the original FBI documents and Project Blue Book pages are shadowy and faint ILLEGIBLE PAGES HAVE A NOTE Because this book is culturally important we have made available as part of our commitment to protect preserve and promote knowledge in the world Some of the issues could be missing Great but unpretentious this edition is a rare symbols by itself of what was going in the beginning of the modern UFO phenomena This edition has the following parts in chronological order from Project Blue Book 1951 03 7007074 Chinnampo Korea 1951 07 7007939 Seoul Korea 1952 01 6310451 KOREA 1952 02 6309091 Korea 1952 05 9614416 Korea 1952 08 8773228 Southeast Korea 1952 10 9169188 Korea 1953 01 9544858 Suwon Korea 1 1953 03 6384252 Old Baldy and Pork Chop Hill Korea 1953 12 6779077 CS4859 MilGrid Korea 1954 07 8715239 KOREA 1954 08 8715379 KOREA 1954 08 31 Korea 1954 09 8726633 Seoul Korea 1954 09 8726739 Kimpo ABKorea 1954 12 6963903 Pyongtaek Korea NEWS ARTICLES __Copy and paste the link for our books <https://saucerianbooks.blogspot.com> ____ Cold War Era Monika Davies,2019-09-16 Two nations Two ideologies One Cold War Breathe life into the pages of history with this primary source reader that focuses on the Cold War Era *Access to History for the IB Diploma: The Cold War: Superpower tensions and rivalries Second Edition* David Williamson,2015-05-15 A new book for Paper 2 World History Topic 12 The Cold War Superpower Tensions and Rivalries 20th Century Readable and rigorous coverage that gives you the depth of knowledge and skills development required for the Diploma Provides Reliable clear and in depth narrative from topic experts Analysis of the historiography surrounding key debates Dedicated exam practice with model answers and practice questions TOK support activities and Historical Investigation questions to help with all aspects of the Diploma Tailored exactly to the Diploma it also helps you develop analytical skills through the widest variety of sources at this level Other titles in the series The Move to Global War Rights and Protest Authoritarian States **Korea - a Cold War Conflict 1950-1953** Australian Government Department of

The Game of Death Albert Eugene Kahn,1953 The harsh and tragic fact is that of the whole population children are paying the most heavily for the Cold War Naturally we want our children to live and mature in a world at peace a world in which their talents and those of all other children may fully flower a world made worthy of children Substantiating its disclosures with careful documentation The Game of Death presents an inside account of the atomic bomb drills for school children their causes and emotional effects It discusses the shocking and dangerous conditions prevalent in the schools as a result of the armament program and exposes a nationwide plan to indoctrinate children and convert schools into instruments of national policy It warns of the acclimatization of children through comic books TV radio and motion pictures to concepts of violence horror and sudden death It reports the beginnings of loyalty oaths for parents Finally it projects action Americans must take to protect the welfare and happiness of their children from the dangers that beset them on every side as a consequence of the Cold War
