

Questions and Answers

1. **What are the main drivers of globalization?**
 - Globalization is driven by technological advancements, liberalization of trade and investment policies, and increased mobility of capital, labor, and information.
2. **How does international trade benefit countries?**
 - International trade allows countries to specialize in producing goods and services where they have a comparative advantage, leading to higher efficiency, economic growth, and consumer welfare.
3. **What role do multinational corporations play in the global economy?**
 - Multinational corporations operate across borders, investing in foreign markets, sourcing inputs globally, and selling products to diverse consumers, thereby contributing to economic growth and employment.
4. **What are the implications of demographic trends for the global economy?**
 - Demographic trends, such as population aging and migration, impact labor supply, consumption patterns, and social welfare systems, influencing economic growth and development outcomes.
5. **How do financial markets affect the global economy?**
 - Financial markets facilitate the allocation of capital across borders, enabling investment, risk management, and economic growth, but also posing risks, such as financial instability and contagion.
6. **What are the challenges of sustainable development in the global economy?**
 - Sustainable development requires balancing economic growth with environmental protection and social equity, necessitating investments in green technologies, renewable energy, and inclusive policies.
7. **How do geopolitical tensions impact the global economy?**
 - Geopolitical tensions can disrupt trade flows, investment patterns, and global supply chains, creating uncertainty and risks for businesses, investors, and governments.
8. **What are the key principles of ethical business conduct in the global economy?**
 - Ethical business conduct entails respecting human rights, adhering to labor standards, promoting environmental sustainability, and fostering transparency and accountability in corporate governance.
9. **How can countries enhance resilience in the face of economic shocks?**
 - Countries can enhance resilience through sound macroeconomic policies, prudent financial regulation, investments in infrastructure and social safety nets, and effective risk management strategies.
10. **What role do international institutions play in shaping the global economy?**
 - International institutions provide platforms for cooperation, coordination, and dispute resolution among countries, facilitating the formulation of global economic policies and addressing common challenges.
