T.L.,2012-09 In a Eucharistic Holy Hour we listen and meditate on the Word of God After the Lord has spoken we respond in faith and prayer Jesus the Healer gives us words for our response in personal prayer Father Juan Serna s little book of Eucharist Inspired and other Meditations comes from the heart of his own prayer and personal reflections His prayers give words to those very real sentiments we experience when we try to touch but the tassel of Jesus cloak His sketches which accompany each section likewise speak profound thoughts of prayer The penetrating eyes of Jesus are like the two edged sword that pierces the depths of humanity Father Juan s drawings are as much a prayer as the devotional words he writes His drawings and words are prayers we can use to find Jesus the Healer Bishop Stephen E Blaire *Jesus the Healer* Keith Warrington,2000 Jesus healings and exorcisms are

undeniably special So special that too many do not consider why they were performed Instead they are marvelled at and stored as startling proofs of his power This book deals with the question why The healing ministry of Jesus is still an enigma to many who want to believe it is valid but who recognise the significant difference between the best of healing today and the unique ministry of Jesus God still heals but does Jesus gift believers with his unique powers Paul and James speak to the church concerning healing but what does the ministry of Jesus say Is he a paradigm for us or a unique phenomenon Keith Warrington tackles this question with informed scholarship offering an evangelical analysis of the healings and exorcisms of Jesus

Jesus as Healer Jan-Olav Henriksen, Karl Olav Sandnes, 2016-05-11 Healings and miracles play a prominent role in the New Testament accounts of Jesus life and ministry In the Western Christian tradition however Jesus works of healing tend to be downplayed and understood as little more than a demonstration of his divine power In this book Jan Olav Henriksen and Karl Olav Sandnes draw on both contemporary systematic theology and New Testament scholarship to challenge and investigate the reasons for that oversight They constructively consider what it can mean for Christian theology today to understand Jesus as a healer to embrace fully the embodied character of the Christian faith and to recognize the many ways in which God can still be seen to have a healing presence in the world
