

“I know the plans I have in mind for you, declares the Lord; they are plans for peace, not disaster, to give you a future filled with hope. When you call me and come and pray to me, I will listen to you. When you search for me, yes, search for me with all your heart, you will find me.”

How Christians Should Relate to Government Wayne A. Grudem, 2012-04-10 Derived from theologian Wayne Grudem's Politics According to the Bible this digital short outlines five misguided approaches Christians take to politics and a way that is both more biblical and better for society Grudem describes the five misguided approaches as follows Government should compel religion Government should exclude religion All government is evil and demonic Do evangelism not politics Do politics not evangelism In their place Grudem argues for a view that he calls significant Christian influence on government Provocative and compelling How Christians Should Relate to Government will prod the thinking of politically minded Christians regardless of which party they favor

Wayne A. Grudem, 2012-02-07 God intended the Bible to give guidance to every area of life including how governments should function Derived from Wayne Grudem's Politics According to the Bible this book highlights those economic and foreign policy issues that have dominated political debate recently and is a must read for any Christian concerned about current debates over Economic issues and taxation The size and role of government The best way forward out of a recession Relationships to other nations Throughout Wayne Grudem author of the bestselling Systematic Theology supports political positions that would be called more conservative than liberal However it is important to understand that I see these positions as flowing out of the Bible's teachings rather than positions I hold prior to or independently of those biblical teachings he writes My primary purpose in the book is not to be liberal or conservative or Democrat or Republican but to explain a biblical worldview and a biblical perspective on issues of politics law and government Not every reader will agree with the book's conclusions But by grounding his analysis deeply on Scripture Grudem has equipped Christians to better understand and respond to some of today's key political debates wisely and in a manner consistent with their primary citizenship as members and ambassadors of the kingdom of God

David Limbaugh,2003-09-25 In this New York Times bestseller David Limbaugh exposes the liberal hypocrisy of promoting political correctness while discriminating against Christianity From the elimination of school prayer to the eradication of the story of Christianity from history textbooks this persuasive book shows that our social engineers inculcate hostility toward this religion and its values in the name of diversity tolerance and multiculturalism Through court cases case studies and true stories Limbaugh details the widespread assault on the religious liberties of Christians in America today and urges believers to fight back in order to restore their First Amendment right of religious freedom *Give Me Jesus* Jay R. CHANGE is is the one thing you can count on in these exciting and discouraging times Fueled by the bizarre pace of technological inovation transitions are taking place in society and the church in ways that we have never seen before Beginning with the fact of four generations living at the same time each with their unique ideas and change accompanied by a generational breakdown in understanding and communications In the past the church was a reliable moral compass for society But today with the self imposed isolation inside the four walls of of brick Satan is left to his device of blinding the minds of men lest they believe the glorious gospel of eternal salvation He has been able to spread a cloak of darkness over our Western culture Darkness is not knowing the real purpose and nature of things For example What is the source of man and his world Where have man and his world come from What is the purpose of man in the world Why do man and his world exist What is the end of man and his world Light is knowing God and His Son the authentic Jesus Christ who stands as the Source of purpose and end of man and his world Further light is to know the truth and reality of man and his world that God created all for Himself That He loves and saves all to live with Him eternally if we will only believe and trust Him Today there is a tension between the world and the Word The authentic Christ is the only hope for the world Give Me Jesus **If God**

Ringer,2014-10-10 The continued importance of Christian rhetorics in political social pedagogical and civic affairs suggests that such rhetorics not only belong on the map of rhetorical studies but are

indeed essential to the geography of rhetorical studies in the twenty first century This collection argues that concerning ourselves with religious rhetorics in general and Christian rhetorics in particular tells us something about rhetoric itself its boundaries its characteristics its functionings In assembling original research on the intersections of rhetoric and Christianity from prominent and emerging scholars Mapping Christian Rhetorics seeks to locate religion more centrally within the geography of rhetorical studies in the twenty first century It does so by acknowledging work on Christian rhetorics that has been overlooked or ignored connecting domains of knowledge and research areas pertaining to Christian rhetorics that may remain disconnected or under connected and charting new avenues of inquiry about Christian rhetorics that might invigorate theory building teaching research and civic engagement In dividing the terrain of Christian rhetorics into four categories theory education methodology and civic engagement Mapping Christian Rhetorics aims to foster connections among these areas of inquiry and spur future future collaboration between scholars of religious rhetoric in a range of research areas
