The Christian Science Monitor Linda K. Fuller, 2011-09-12 This text provides a unique examination of The Christian Science Monitor a highly respected venerable news publication that has survived over a century of changes and challenges The Christian Science Monitor is one of the world's leading journalistic publications having won multiple Pulitzer prizes for its reporting CSM is innovative and forward thinking as well it was one of the first newspapers to provide an online copy of its daily reporting in 1996 well before the popularization of the Internet But just like other publications The Christian Science Monitor will need to continue to reinvent itself in order to stay relevant and solvent in the face of plummeting readership numbers corporate takeovers and a widespread assumption that all of today's news sources are biased and inaccurate This book provides a thorough discussion of CSM's treatment of sensitive topics like terrorism international crises gender issues and sexual orientation The paper's attitudes toward ethnicity ethics economics philosophy and racism are also profiled The conclusion provides readers with an opportunity to draw upon their new knowledge of The Christian Science Monitor's past to project its direction for the future

Covering McCarthyism Lawrence N. Strout, 1999-09-30 Strout examines how the Christian Science Monitor a highly influential newspaper of the era covered Joseph R. McCarthy and McCarthyism from the Senator's Lincoln Day speech in February 1950 through his censure in December 1954 Through his in-depth examination of the Monitor's interoffice communications Strout examines how the Monitor's coverage compared with other elite and popular press newspapers and how the pressures associated with McCarthyism affected individuals at the Monitor An extensive review of the Monitor's editorials and news articles suggests that it was remarkably thorough and fair in its reporting while still being outspoken but responsible in its criticism While many newspapers attacked McCarthy personally the Monitor concentrated on the actions of the junior senator and the negative effects they were having at home and abroad As Strout sees it the Monitor served as a voice of moderation while simultaneously being a persistent critic of McCarthy's tactics
