Christian Va Voter Guide:

Cultural Wars in American Politics Rhys H. Williams, That contemporary American politics is divided into two differing ideological moral and lifestyle groups a divide so severe as to constitute a cultural war is a widely held popular belief The most systematic academic version of the culture wars claim has appeared in two influential books by sociologist James Davison Hunter the earlier dating from 1991 Hunter s formulation of the myth serves the contributors to this volume as a point of departure They add more measured analyses to the rhetorical overstatement in Hunter s claim assessing its accuracy with a broad range of evidence based on individual attitudes subcultural values political party dynamics and culture wide ideological currents On every level of analysis the contributors find that Hunter s bipolar axis obscures the variety of ways in which culture actually functions in current politics That variety receives the nuanced treatment it deserves in this collection Examining the full range of sources of cultural politics and offering competing models for understanding the current ideological landscape this volume will be useful in a variety of classroom and seminar settings from political sociology and social movements to contemporary American culture and the sociology of religion Politics and Religion in the White South Glenn Feldman, 2005-09-30 Politics while always an integral part of the daily life in the South took on a new level of importance after the Civil War Today political strategists view the South as an essential region to cultivate if political hopefuls are to have a chance of winning elections at the national level Although operating within the context of a secular government American politics is decidedly marked by a Christian influence In the mostly Protestant South religion and politics have long been nearly inextricable Politics and Religion in the White South skillfully examines the powerful role that religious considerations and influence have played in American political discourse This collection of thirteen essays from prominent historians and political scientists explores the intersection in the South of religion politics race relations and southern culture from post Civil War America to the present when the Religious Right has exercised a profound impact on the course of politics in the region as well as the nation The authors examine issues such as religious attitudes about race on the Jim Crow South Billy Graham s influence on the civil rights movement political activism and the Southern Baptist Convention and Dorothy Tilly a white Methodist woman and her contributions as a civil rights reformer during the 1940s and 1950s The volume also considers the issue of whether southerners felt it was their sacred duty to prevent American society from moving away from its Christian origins toward a new secular identity and how this perceived God given responsibility was reflected in the work of southern political and church leaders By analyzing the vital relationship between religion and politics in the region where their connection is strongest and most evident Politics and Religion in the White South offers insight into the conservatism of the South and the role that religion has played in maintaining its social and cultural traditionalism **Pat Robertson** David John Marley, 2007 A portrait of the 700 Club host and co founder of the Christian Coalition considers his role as a reviled figure in the secular world and a formidable role model among Christian

fundamentalists in a profile that lauds his achievements while questioning some of his decisions **Tax Management Portfolios** ,1971* Virginia Votes ,1999 **Covertaction Quarterly** ,1992 **Discovery** ,1995 **West's Federal Supplement** ,1999 Cases decided in the United States district courts United States Court of International Trade and rulings of the Judicial Panel on Multidistrict Litigation *The Right Guide* Derk Arend Wilcox,2000 **Speaker and Gavel** ,1997 **The Real Story Behind Paycheck Protection** ,1998 *The Religious Right and the 1994 Election* ,1997

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States. Internal Revenue Service,1986 **Conflict of Interests** Joel H. Spring,2002 Providing a critical understanding of the political and social forces shaping educational politics in the United States this concise text describes and analyzes how policy is made for American schools and its effect on all of our lives and thinking Joel Spring argues that the politics of Education is driven by a complex interrelationship between politicians private foundations and think tanks teachers unions special interest groups educational politicians school administrators boards of education courts and the knowledge industry The text uses many current examples to illustrate conflicts over educational policies *The Right Guide* ,2000 Queer in America Michelangelo Signorile,1994 Controversial journalist and activist Michelangelo Signorile assess that if is the hidden identities the closeted lives of homosexuals that prevent their acceptance in American society In A Queer Manifesto he issues a call to arms that refuses to let the closet and the suffering it causes endure Guide to the American Right ,1997

Reasonings ,1999 *American Government* Susan Welch,1999 AMERICAN GOVERNMENT 7th is a mainstream text with diverse perspectives Focusing on the responsiveness of government it helps students understand the evolution and impact of important features of government The book is a three time winner of the annual award given by the women s caucus of APSA for coverage of women Written in an engaging writing style and with more research citations than any book on the market AMERICAN GOVERNMENT is both readable and scholarly It includes the four policy chapters that the brief UNDERSTANDING AMERICAN GOVERNMENT does not The Religious Right Glenn H. Utter,John Woodrow Storey,2007 Timely and unbiased this edition updates and expands its examination of the religious right and its influence on our government citizens society and politics From the fight to outlaw the teaching of Darwin s theory of evolution to the struggle to outlaw abortion the religious right is continually exerting an influence on public policy
