**Boys' Secrets and Men's Loves:** David A.J. Richards, 2019-06-04 Boys Secrets and Men's Loves is the memoir of a law professor who has written over twenty books on the basic rights of American constitutionalism. He has been a prominent advocate of gay rights and feminism which joins men and women in resistance. A gay man born into an Italian American family in New Jersey, he relates in this book his own experience on how the initiation of boys into patriarchy inflicts trauma, leading them to mindlessly accept patriarchal codes of masculinity and how through art, philosophy, and experience, including mutual love, he and others, straight and gay men, come to join women in resisting patriarchy through the discovery of how deeply it harms men as well as women.

**Rob Wagner's Beverly Hills Script**, 1929      Keep It Simple & Sane Barb Rogers, 2008-12-01 Walks readers through the steps of ridding oneself of the emotional, mental, spiritual, and physical clutter that often leads to bad behaviors. Library Journal Inspired by the twelve-step saying "Life is simple," it's people who are complicated. Barb Rogers points out in Keep It Simple and Sane that it's pretty easy to tell ourselves lies as we explain away bad behavior associated with drugs, alcohol, food, sex, work, or whatever our addiction may be. We may not do it consciously, but it creates a damaging pattern that makes it even harder to find our way back to inner peace. Through the telling of her own story and those of fellow travelers, Rogers encourages readers to wait, stop, and hold the phone. Grab a mental flashlight and follow her lead to discover what you were thinking and how you might think differently. Offering 24 simple ideas in four sections: mind, emotions, spirituality, physicality, along with strategies and exercises to introduce them into your daily life, this book is for people on the simple path to wellness for people who simply want to take charge to change the things they can change, accept the things they cannot change, and learn to know the difference without struggling through the addictive song and dance.
